
Sweet Flag

Acorus

Part Shade to Sun

2' tall

Ornamental Grass

Use as a specimen plant in water gardens or bog areas where the soil is constantly moist to wet.

Indian Warrior Big Bluestem

Andropogon gerardii

Sun

5-6' tall

This long lived grass forms a tall, strictly upright clump of green foliage that transitions to red then smoky purple in midsummer. Deep purple flowers with bright red-orange pollen.

Blonde Ambition Bouteloua

Bouteloua gracilis 'Blond Ambition'

Sun to Part Shade

2-3' tall

This North American native grass produces chartreuse flag-like blooms in mid to late summer. Tolerates many soil types, and is very drought tolerant and low maintenance.

Feather Reed Grass

Calamagrostis acutiflora 'Karl Foerester'

Sun

3-5' tall

Create stunning vertical effects with feathery stalks that emerge reddish-brown in spring, turn golden in fall. Blooms 2 to 3 weeks earlier than common feather reed grass. Seeds are sterile.

Korean Feather Reed Grass

Calamagrostis brachytricha

Sun to Part Shade

4' tall

A warm season grass that blooms later in the summer even in part shade. Purplish red, fluffy bottlebrush plumes age to greenish tan.

Northern Sea Oats

Chasmanthium latifolium

Sun to Part Shade

3-5' tall

Clumping grass that is treasured for its showy, drooping flowers and rich bamboo-like foliage. Effective in mass plantings in shady, damp locations. Flowers are attractive all season long.

Pampas Grass

Erianthus ravennae

Sun

10' tall

One of the loveliest ornamental grasses, superb as accent, screen or architectural specimen. Showy, 2-foot long silvery-white silky plumes have gorgeous autumn coloring. Foliage has a clumping habit.

Blue Fescue

Festuca ovina 'Glauca'

Sun

12" tall

Ornamental Grass

Low tufted grass with many stems and fine bluish-silver leaves. They are very drought hardy and are great in clumps in borders, containers, and rock gardens. A great looking non-invasive grass.

Beyond Blue Fescue

Festuca x 'Beyond Blue'

Sun

9-12" tall

Intense powder blue foliage that maintains its color throughout the summer. Does not brown out.

Maiden Grass

Miscanthus sinensis 'Gracillimus'

Sun

6-8' tall

Attractive ornamental grass with fine-textured silver-green blades that turn golden-bronze after first frost. Delicate silvery-white plumes. Great specimen or used in groups as a screen.

Little Nicky Zebra Grass

Miscanthus sinensis 'Hinjo'

Sun

3-4' tall

Ornamental Grass

Reddish purple plumes in late summer while leaf blade holds its green and yellow banding all season long. Great as specimen or in groupings.

Zebra Grass

Miscanthus sinensis 'Hinjo'

Sun

3-4' tall

Reddish purple plumes in late summer while leaf blade holds its green and yellow banding all season long. Great as specimen or in groupings.

Nippon Maiden Grass

Miscanthus sinensis 'Nippon'

Sun to Part Sun

4-5' tall

Gracefully arching, compact mounds of dark green leaves with silver midribs. Deep wine inflorescences emerge, then age to cream & remain all winter.

Variegated Maiden Grass

Miscanthus sinensis 'Variegatus'

Sun

4-5' tall

A dwarf form of variegated maiden grass with green and white variegated foliage. Beautiful coppery-tan plumes stand above the foliage in the fall.

Black Mondo Grass

Ophiopogon japonicus 'Nana'

Part Sun to Shade

2-3" tall

Carefree, easy to grow perennial ideal for adding texture in garden or containers. Tiny purple flower clusters may or may not be visible spring to summer. Drought tolerant.

Hot Rod Switch grass

Panicum virgatum 'Hot Rod'

Sun

36-40" tall

This upright grass emerges in spring with blue-green foliage that will turn deep magoon in early summer. This maroon color will intensify as the season progresses.

Northwind Switch Grass

Panicum virgatum 'Northwind'

Sun

4-5' tall

A very sturdy and upright grass with wide blue-green foliage, slender upright panicles bloom within the top of foliage creating a very vertical and formal look. Turns golden yellow in fall.

Prairie Fire Red Switch Grass

Panicum virgatum 'Prairie Fire'

Sun

4-5' tall

A grass with blue-green foliage the starts turning wine-red in early summer. Rosy flowers appear above the foliage in early fall.

Burgundy Bunny

Pennisetum alopecuroides

Sun

12-16" tall

Ornamental Grass

Green to red leaf blades through growing season with fall seed heads. Deer resistant, use in containers, rock garden, and landscape.

Burgundy Bunny Fountain Grass

Pennisetum alopecuroides 'Burgundy Bunny'

Sun

12-16" tall

This colorful, petite sport of Little Bunny forms a rounded clump of green foliage that starts to turn red in summer. All-over blazing red fall color until frost.

Foxtrot Giant Fountain Grass

Pennisetum alopecuroides 'Foxtrot'

Sun

4-5' tall

Forms a dense clump as tall as it is wide. The narrow green leaves turn gold in fall. Produces smoky-rose, bottlebrush plumes measuring 6-8" long or more. A very strong grower.

Hamel Dwarf Fountain Grass

Pennisetum alopecuroides 'Hamel'

Sun to Part Shade

1-2' tall

Attractive grass highlighted by fluffy, buff-colored plumes arching above foliage. Dark green tufted blades turn golden russet in fall. Terrific contrast when used among shrubs and perennials.

Little Bunny Dwarf Fountain Grass

Pennisetum alopecuroides 'Little Bunny'

Sun to Part Shade

12" tall

Ornamental Grass

Most dwarf of the fountain grasses, displaying fluffy, buff colored blooms. Dark green foliage turns gold in fall. A great contrast among shrubs and perennials.

Annual Purple Fountain Grass

Pennisetum rubrum

Sun

2-4' tall

Striking, ANNUAL grass with purple plumes. Fast growing. Makes a nice backdrop, border, or central focus in the landscape.

Fountain Grass

Pennisetum setaceum

Sun

3 1/2' Tall

Ornamental Grass

A very showy ornamental grass with graceful, arching foliage, and erect or nodding rose-colored flower cylindrical spikes. They lend a wild but soft effect wherever they are used.

Variegated Strawberries & Cream Ribbon Grass

Phalaris arundinacea 'Strawberries & Cream'

Sun

24" tall

Ornamental Grass

Green/white variegated foliage, when weather turns cool foliage blushes pink. An aggressive grower, tolerant of many soils & conditions.

Smoke Signal Little Bluestem

Schizachyrium scoparium 'Smoke Signal'

Sun

3' tall

A beautifully refined native plant that takes on scarlet-red tones in late summer, turning deeper red-purple in fall. Maintains its strictly upright habit through the fall without flopping.
