
Cloth of Gold Yarrow

Achillea filipendulina 'Cloth of Gold'

Sun 30-36" tall Blooms Summer

Large golden-yellow flowers with elegant ferny, gray-green foliage. Good for cut or dried flowers. Drought tolerant and thrives in poor, dry soils.

Pomegranate Yarrow

Achillea m. 'Pomegranate'

Sun 24-30" tall

Rich magenta-red flowers with dark green leaves. Heat and drought tolerant. A robust grower with strong stems and uniform growth.

Strawberry Seduction Yarrow

Achillea millefolium 'Strawberry Seduction'

Sun 18-22" tall

A compact Yarrow with dark green foliage, better branching with short internodes forming a tight uniform flower canopy. Large, velvety red flowers with yellow centers are produced in summer.

Moonshine Yarrow

Achillea Moonshine

Sun 18-24" tall

Blooms Early-Mid Summer. Flat-topped, canary yellow flower clusters with bright silver, ferny foliage. Blooms over a long time, will rebloom if cut back. Drought tolerant.

Colorado Yarrow

Achillea x taygetea 'Colorado'

Sun 24" tall Blooms Summer-Fall

Unique blend of pastel colored flowers with elegant feathery gray-green foliage. Good for cut or dried flowers. Drought tolerant and thrives in poor, dry soils.

Bolero Agastache

Agastache 'Bolero'

Sun 14-16" tall

Vivid rose-purple spikes rise above the bronzy green foliage. Forms a compact branched clump of aromatic foliage, slug and deer resistant. Well adapted to dry soils.

Fragrant Carpet Mix Agastache

Agastache astromontana

Sun to Part Sun 12-18" tall Blooms Summer

Mix of pastel tones of pink, rose, lilac, tangerine, & lemon on mint scented foliage. Drought tolerant once established. Attracts Bees, Butterflies, & Hummingbirds.

Little Adder Agastache

Agastache rugosa 'Little Adder'

Sun 12-18" tall

Little Adder is a compact Agastache that will be covered with tons of violet flowers for an extended period of time in summer and fall.

Little Adder Hummingbird Mint

Agastache rugosa 'Little Adder'

Sun 22-24" tall Blooms summer to fall

Plumes of rich purple flowers on compact plant. Enjoy the mint-scented foliage summer-fall. Deer resistant and heat-loving.

Coral Agastache

Agastache x 'Coral'

Sun 16-18" Tall

An attractive drought tolerant plant with coral colored flower plumes in summer, blooming for several weeks. Flowers and plants are aromatic. Does well in heat and drought.

Powderpuff Mix Hollyhock

Alcea rosea 'Powderpuff Mix'

Sun 4-5' tall Blooms Summer

Mix of fully double white, pink, purple, yellow and red flowers. Dense, rounded, light green foliage. Popular old fashioned plant for cottage gardens. May require staking in windy areas.

Millenium Allium

Allium tanguticum 'Millenium'

Sun 12-18" Tall

Allium is a clump forming plant that produces purple-pink flowers that appear in late summer and are held above green grass-like foliage. Drought tolerant.

Lead Plant

Amorpha canescens

Sun to Part Shade 30-36" tall

Lead Plant is a shrub-like perennial with long spikes of purple flowers in late summer. Its tiny-leafed foliage adds an interesting texture to the garden. Very tough and drought tolerant.

Cameo Mix Columbine

Aquilegia flabellata 'Cameo Mix'

Part Sun to Part Shade 6-8" tall Blooms Spring

Upward facing, bicolor flowers of pink and white with blue-gray foliage. Wonderful miniature columbine. Does well in moist soils.

McKana Giant Columbine

Aquilegia x hybrida 'McKana Giant Mix'

Part Sun to Part Shade 30" tall Blooms Spring

A blend of 8 rich colors on tall, impressive 30-inch plants. These gorgeous blooms measure a full 4 inches across, with long spurs. Ideal for cutting or for lovely spring and summer garden color.

Sun King Aralia

Aralia cordata 'Sun King'

Part Sun 2-3' tall

This hardy, tropical looking beauty brightens up the shade garden with its very large, compound, bright gold leaves. Tiny white flowers give way to purple black berries in fall.

Bloodstone Sea Thrift

Armeria maritima 'Bloodstone'

Sun 6-8" tall

Blooms in Spring. Compact plant fits nicely along walkways or garden's edge. Tolerates dry conditions and poor soils.

Handsome tuft of green, grassy foliage. Bright, cherry-red flowers.

Joystick Sea Thrift

Armeria maritima 'Joystick Mix'

Sun to Part Sun 12-18" tall Blooms Spring to Early Summer

Mixed colors include carmine, pink & white. Blooms spring to early summer. Attracts butterflies, likes well-drained soil.

Rubrifolia Sea Thrift

Armeria maritima 'Rubrifolia'

Sun to Part Sun 4-8" Tall

A purple foliage Armeria with a profuse display of rose pink flowers in spring. Fine-textured leaves are evergreen, great for rock gardens, borders or containers

Silver Mound

Artemisia schmidtiana

Sun 12" mounding

Compact mound-like habit, silver-gray fern-like foliage. Prefers average to poor, well-drained soils. Excellent for rock gardens or border edges.

Hardy Dusty Miller

Artemisia stellerana

Sun 15" tall Blooms Summer

Felted silver foliage with yellow flowers in summer. Extremely hardy form of Dusty Miller. Excellent for rock gardens or border edges.

Butterfly Milkweed

Asclepias tuberosa

Sun 24" tall

Blooms in Summer. Slow to emerge in spring. Prefers dry, well-drained soils. Vibrant orange to red flowers are a magnet for butterflies. Seed pods are used in flower arrangements.

Wood's Purple Aster

Aster dumosus 'Wood's Purple'

Sun 12-16" tall Blooms in Fall

Dwarf, compact plant producing clusters of charming purple, semi-double flowers. Does not require staking. Shows excellent resistance to mildew and rust.

Vibrant Dome Aster

Aster novae-angliae 'Vibrant Dome'

Sun to Part Shade 15-18" tall

A new variety that forms a neat compact mound with masses of vibrant, hot-pink flowers in early fall. Spectacular in bloom.

Alert Dwarf Aster

Aster novi-belgii 'Alert'

Sun 8-12" tall

Blooms in Fall. This aster makes a fine show in the autumn border with its abundance of small, showy red-violet flowers. Dark green compact foliage. Pinch back and divide like mums for best display.

Sister Theresa Astilbe

Astilbe arendsii 'Sister Theresa'

Part Shade to Shade 24" tall

Blooms Early-Mid Summer. Produces large, blocky, salmon-pink plumes held high above finely cut, medium to dark green leaves. Considered to be one of the best astilbes.

Visions Astilbe

Astilbe chinensis 'Visions'

Part Shade to Shade 12-14" tall

Blooms Early Summer. Showy soft lavender-purple plumed flower spikes. Smaller plant is perfect for containers or in clusters at the front of shaded beds. Protect from hot afternoon sun.

Deutschland Astilbe

Astilbe x arendsii 'Deutschland'

Part Shade to Shade 20-24" tall

Blooms Early Summer. Graceful, airy mounds with showy plumes of feathery white flowers. Nice colorful landscape accent in moist areas. Good in pots and tubs. Good for cut or dried flowers.

Fanal Astilbe

Astilbe x arendsii 'Fanal'

Part Shade to Shade 20" tall

Blooms Early Summer. Tall, feathery blooms of deep garnet red valued for light, airy quality, rise above bronze-green foliage. Great in massed plantings. One of the most popular red astilbes.

Japanese Painted Fern

Athyrium nipponicum 'Pictum'

Shade 18" tall

Dramatic foliage is a stand-out in the shade garden. Each frond bears a darker blue-green central rib that fades to silver at the edges. Excellent foreground foliage and ideal for pots.

False Indigo

Baptisia australis

Sun to Part Sun 3-4' tall

Blooms Late Spring. Blue-green foliage is topped by short spikes of indigo-blue, pea-like flowers. Attractive seed pods in early summer follow the flowers. Excellent for the back of perennial borders.

Chocolate Delight False Indigo

Baptisia x 'Chocolate Delight'

Sun 3-4' tall

A new False Indigo cross with deep brownish-purple flowers in mid-spring to summer. Drought tolerant, an excellent native selection.

Pink Lemonade False Indigo

Baptisia x 'Pink Lemonade'

Sun to Part Shade 3-4' Tall

A bicolor flowering false indigo, with soft yellow flowers that age to dusky raspberry purple, with both colors appearing on the stem at the same time. Charcoal stems. Forms a full bushy habit.

Solar Flare False Indigo

Baptisia x Solar 'Flare'

Sun to Part Shade 3-4' Tall

Unique flowers open lemon-yellow and gradually darken to orange as the flowers age down the stem. Vigorous grower with attractive blue-green foliage.

Bergenia

Bergenia cordifolia

Part Shade to Shade 18" tall Blooms Spring

Light rose-pink flowers are held high above, round, glossy evergreen leaves that turn bronze in winter. Adaptable to a wide variety of soils.

Brunnera

Brunnera macrophylla

Shade 12-15" Tall

A beautiful woodland plant with large green heart-shaped leaves, and delicate sprays of sky-blue flowers. Needs to be planted in a shady, moist area.

Black Knight Butterfly Bush

Buddleia davidii 'Black Knight'

Sun to Part Shade 4-6' tall

Blooms Summer-Fall. Vigorous multi-stem plant with large dark-purple flowers. Grey green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Honeycomb Butterfly Bush

Buddleia davidii 'Honeycomb'

Sun to Part Shade 4-6' tall

Blooms Summer-Fall. Large fragrant yellow flowers with deep orange eyes. Grey-green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Magenta Improved Butterfly Bush

Buddleia davidii 'Magenta Improved'

Sun 2-3' tall

A compact plant that flowers early and produces large tapering spikes of dense magenta flowers. The plant blooms from late spring thru fall. Flowers are butterfly magnets. Great for patio containers.

Midnight Butterfly Bush

Buddleia davidii 'Midnight'
Sun 2-3' tall

A compact, early flowering plant that forms large tapering spikes of dense, velvety midnight-purple flowers. Blooms from late spring till fall. Attracts butterflies. Great for patio containers.

Petite Plum Butterfly Bush

Buddleia davidii 'Petite Plum'
Sun to Part Shade 1-2' tall Blooms Summer-Fall

Lilac-like purple flowers. Grey green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Royal Red Butterfly Bush

Buddleia davidii 'Royal Red'
Sun to Part Shade 4-6' tall

Blooms Summer-Fall. Vigorous multi-stem plant with large dark-red flowers. Grey green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Magenta Munchkin Butterfly Bush

Buddleia x 'Magenta Munchkin'
Sun 30-36" tall

Large (7-8 inch) fuchsia-red flowers have lighter centers on each individual flower that look like eyes from afar. This variety will produce tons of flower panicles when in bloom. Low rounded shape.

Blue Clips Bellflower

Campanula carpatica 'Blue Clips'
Sun to Part Shade 8" tall Blooms Summer til Frost

Produces a dense rounded mass of triangular dark green leaves covered in delightful upturned open bell shaped flowers. Great for edging beds or for containers and window boxes.

Peach Leaved Bellflower

Campanula persicifolia
Sun to Part Shade 30-36" tall Blooms Summer

Mix of blue and white large bell-shaped flowers borne on slender, almost leafless spikes in late Spring and Summer. Basal rosette of glossy green leaves. Good as a cut flower and border plant.

Grand Bleu False Spirea

Caryopteris x clandonensis 'Inoveris'
Sun to Part Shade 2.5' tall Blooms Summer til Frost

Compact bushy new cultivar with extended flowering habit. Dark green glossy foliage contrasts nicely with deep blue flowers. Need to be cut back every year for better landscape performance.

Grand Bleu Bluebeard

Caryopteris x clandonensis 'Inoveris' PP17837
Sun to Part Shade 30" tall

Blooms Summer To Frost. Compact bushy cultivar with extended flowering habit. Dark green glossy foliage contrasts nicely with deep blue flowers. Cut back every year for better performance.

Worcester Gold False Spirea

Caryopteris x clandonensis 'Worcester Gold'
Sun to Part Shade 2' tall

Blooms Summer To Frost. Narrow, soft yellow foliage turns lime green in late summer. Small, pale blue flowers cover this low mounded plant. Cut back every year for better performance.

Blue Cupid's Dart

Catananche caerulea 'Amor Blue'
Sun 21-24" tall Blooms Summer til Frost

Medium-dark blue flowers with darker blue centers. A most useful cut flower for the table or for drying with tall wiry stems that are held up above low growing silver-cast woolly foliage.

Red Valerian

Centranthus ruber 'Coccineus'
Sun to Part Sun 2-3' tall Blooms Summer til Frost

Fragrant, round clusters of small bright carmine-red flowers appear atop the plant over a long season and are complimented by the fleshy, blue-green leaves. Performs in poor, dry soils.

Snow-in-Summer

Cerastium tomentosum
Sun 6" tall Blooms Spring Early Summer

This ground cover is highly valued for its woolly-gray foliage. A good specimen for rock gardens or edging. Crisp white flowers have a luminous quality. Moderate Foot Traffic

Plumbago

Ceratostigma plumbaginoides
Sun to Part Sun 8" tall Blooms Summer-Fall

Vivid dark blue flowers. Handsome green foliage takes on a reddish hue in fall. Breaks dormancy late. Trouble free groundcover. Very hardy when established by mid-summer.

Lily of the Valley

Convallaria majalis
Shade 6-8" tall Blooms Spring-Early Summer
Fragrant, white, bell-shaped flowers followed by tiny, orange berries. Stiffly erect parallel-veined foliage. Excellent groundcover for shade. Great companion plant for English Ivy.

Crème Brulee Coreopsis

Coreopsis 'Crème Brulee'
Sun 16-20" tall
Blooms Summer. Amazing hybrid that produces large, deep yellow flowers all summer long. Buds are continuously set all along the stem. Bright green, lacy, mildew resistant foliage accents the flowers.

Early Sunrise Coreopsis

Coreopsis grandiflora 'Early Sunrise'
Sun 24" tall
Blooms Summer. Brilliant golden-yellow semi-double flowers. Neat narrow leaves on compact plants. Very free-flowering throughout the summer. Remove old flowers for appearance and continued flowering.

Moonbeam Coreopsis

Coreopsis verticillata
Sun 12-15" tall Blooms Summer
Profusion of creamy yellow flowers on a refined, airy form makes a statement in borders. Slow to appear in spring.

Hot Paprika Coreopsis

Coreopsis verticillata 'Hot Paprika'
Sun 15-18" Tall
Beautiful 1 1/2 in, rich deep red flowers. Bright green, threadleaf foliage forms a compact, rounded, and uniform mound.

Rosea Coreopsis

Coreopsis verticillata 'Rosea'
Sun 12-18" tall Blooms Summer-Fall
Produces small pink flowers with yellow centers. It generally blooms all summer and like most Coreopsis, it is heat and drought tolerant. Slow to appear in spring.

Sienna Sunset Coreopsis

Coreopsis verticillata 'Sienna Sunset'
Sun 15-20" tall

Blooms Summer. A sport of Crème Brulee with terra cotta-colored flowers that lighten to orange with age. Delicate, theadleaf foliage with exceptional long bloom.

Zagreb Threadleaf Coreopsis

Coreopsis verticillata 'Zagreb'
Sun 15" tall

Blooms Early Summer. Prolific bloomer on a small, rounded form. Bright, golden flowers make a statement in a perennial bed. Well-suited for containers. Performs well in hot, dry conditions.

Gold and Bronze Coreopsis

Coreopsis x 'Gold and Bronze'
Sun 12-14" Tall

Large 3" gold flowers with bronze centers, forms a compact tidy mound perfect for borders and rock gardens. Foliage is mildew resistant. Drought tolerant.

Daybreak Coreopsis

Coreopsis x 'Daybreak'
Sun 8-12" tall

A naturally compact plant with sterile, bicolor flowers with a prominent orange-red center and fringed gold tips. Blooms all season long. Forms a short, basal mound of highly disease foliage.

Red Elf Coreopsis

Coreopsis x 'Red Elf'
Sun 8-12" tall

Deep, burgandy-red, sterile blossoms are produced atop a compact clump of disease-resistant, medium green foliage.

Magic Fountains Delphinium

Delphinium cultorum 'Magic Fountains'

Sun to Part Sun 36" tall Blooms Summer-Fall

Flowers are beautiful shades of blue mixed with white. Dense rounded deep green foliage. Requires no staking; good for cutting. Remove old flowers to promote flowering.

Blue Butterfly Delphinium

Delphinium grandiflorum 'Blue Butterfly'

Sun to Part Sun 12-15" tall Blooms Summer-Fall

A compact grower, its rich cobalt blue flower spikes are continuous through the summer months, and not toppled by blustery summer winds.

Pinball Wizard Dianthus

Dianthus deltoides 'Pinball Wizard'

Sun to Part Sun 10-12" Tall

Like a shot of pink lightning, this Dianthus explodes with flashes of pink & white stripes. Masses of double spicy scented flowers are carried on sturdy stems of blue-silver foliage. Long bloom time.

Zing Rose

Dianthus deltoides 'Zing Rose'

Sun 6" tall Blooms Spring

Carmine rose masses of color on this spreading perennial. A low growing, clump forming plant bears dense grass-like leaves. Valued as edging and masses in perennial borders.

Bath's Pink Dianthus

Dianthus gratianopolitanus 'Bath's Pink'

Sun 6-8" tall Blooms Spring

Green-gray foliage is accented by fragrant pink flowers with a deeper rose center and fringed petals. Re-blooms if promptly sheared after spring flush. Valued rock garden plant. Prairie Bloom

Firewitch Dianthus

Dianthus gratianopolitanus 'Firewitch'

Sun 7-8" tall

Blooms Early Summer-Fall. Produces shocking magenta-pink blossoms over low, silvery-blue mats of evergreen foliage. Highly praised for its spicy clove-scented flowers.

Georgia Peach Pie Dianthus

Dianthus plumarius

Sun to Part Sun 10-12" tall Spring

Pale pink blooms w/vibrant coral center, fragrant. Blooms spring but may set bloom again in fall.

Burgundy Blush Dianthus

Dianthus x 'Burgundy Blush'

Sun to Part Sun 10-12" Tall

Spectacular double burgundy-red flowers with soft pink edge that are very fragrant. Attractive narrow grey-green foliage. Blooms for extended time.

Valentine Bleeding Heart

Dicentra spectabilis 'Valentine'

Part Sun to Part Shade 20-28" tall

An old-fashioned Bleeding Heart that's really red. Vigorous plants quickly form dense clumps of plum-green foliage on dark red stems, with dangling red heart shaped blooms in spring.

Gold Heart Bleeding Heart

Dicentra spectabilis 'Gold Heart'

Part Sun to Shade 18-24" tall

A bright twist on a classic perennial. Radiant yellow foliage creates the perfect backdrop for arching sprays of large pink and white heart-shaped blossoms.

King of Hearts Bleeding Heart

Dicentra x 'King of Hearts'

Part Sun to Shade 8-10" tall

A fern-leafed Bleeding Heart with lovely blue-gray foliage that will continuously produce large rose flowers through the summer and into the fall.

Camelot Foxglove

Digitalis ambigua Camelot Mix

Sun to Part Sun 40" tall Blooms Summer

A vigorous plant with large flower spikes of cream, lavender, rose and white on mounds of dark green foliage. Essential for the lightly shaded border, or in woodlands.

Brilliance Autumn Fern

Dryopteris erythrosora 'Brilliance'

Shade 24" tall

Copper spring fronds turn green of summer, then return to a russet hue for autumn. Mounded growth habit. Deer resistant, drought and heat tolerant.

Male Fern

Dryopteris filix-mas 'Robusta'

Part Shade 36" tall

Long, leathery emerald-green fronds are upright and stately. Retains its foliage even in cold weather. Prefers a cool moist place with acid soil. Use for mass planting.

Cheyenne Spirit Coneflower

Echinacea purpurea 'Cheyenne Spirit'
Sun to Part Sun 20-24" tall Blooms Summer-Fall
Mix of red, pink, yellow, orange, purple, & white flowers on bushy upright growth habit. Drought tolerant, attracts bees and butterflies. Prairie Bloom

White Swan Coneflower

Echinacea purpurea 'White Swan'
Sun to Part Sun Up to 4' tall
Blooms Summer-Fall. The large, fragrant, white flowers bloom from July to October and a major attractor to butterflies and bees. Deer resistant. A must for any perennial garden.

PowWow Wild Berry Coneflower

Echinacea purpurea PowWow
Sun to Part Sun 16-24" tall Blooms Summer-Fall
Unique intense rose flowers w/dark rose center. Excellent summer and fall cut flower. Outstanding for attracting butterflies. Prairie Bloom

Cleopatra Butterflies Coneflower

Echinacea x 'Cleopatra Butterflies'
Sun to Part Shade 15-18" tall
A compact yellow coneflower with strong, sturdy stems. The large 3.5" flowers are semi-double and highly fragrant.

Firebird Coneflower

Echinacea x 'Firebird'
Sun to Part Shade 15-18" Tall
A compact coneflower with bright red reflexed petals. This charming plant has a wonderful habit and will be a great addition to any garden.

Hot Papaya Coneflower

Echinacea x 'Hot Papaya'
Sun to Part Shade 32-36" tall
Robust grower with deep-green foliage, sturdy maroon stems. Long, bright orange petals develop and droop as the double flower matures.

Julia Butterflies Coneflower

Echinacea x 'Julia Butterflies'
Sun to Part Shade 15-18" tall
A compact Coneflower that produces large 4" tangerine-orange flowers. The color deepens as the flower matures. Very floriferous.

Lemon Drop Coneflower

Echinacea x 'Lemon Drop'
Sun to Part Shade 16-20" Tall
This coneflower has fully doubled bright yellow flowers. It will look like a little ball of sunshine in your garden. Great for late summer interest, upright growth with sturdy stems.

Purple Emperor Coneflower

Echinacea x 'Purple Emperor'
Sun to Part Shade 15-18" tall
Bright magenta-purple flowers, compact plants, well-branched sturdy stems provide a canopy of color. Very floriferous.

Rainbow Marcella Coneflower

Echinacea x 'Rainbow Marcella'
Sun to Part Shade 15-18" Tall
A beautiful addition to your coneflower selection. Flowers open in mid-summer a tangerine-orange and mature to a stunning raspberry pink. Compact free-branching plants with sturdy stems.

Vintage Wine Coneflower

Echinacea x 'Vintage Wine'
Sun to Part Shade 24-30" tall
Selected for its large 4" dark raspberry-red flowers and huge orange cones. Dark green foliage with strong sturdy stems. Very floriferous.

Glitter series

Eryngium planum
Sun 26-32" tall Blooms Spring to Summer
Dense spikes of white & blue flowers shaped like small pincushions. Tall stems have dark green leaves. Heat tolerant & easy care

Glow Mango Wallflower

Erysimum x 'Glow Mango'
Sun 6-8" tall
An early blooming, ground-hugging plant with vibrant citrus orange, honey-scented flowers. Provides masses of reliable color above mounds of green foliage. A tough drought tolerant plant.

Little Joe Pye Weed

Eupatorium dubium 'Little Joe'
Sun to Part Sun 36-48" tall
Blooms Late Summer-Fall. Compact plant with dark purple stems and dark green leaves. Smothered with huge clusters of lavender-purple flowers that are fragrant and attract butterflies.

First Blush Cushion Spurge

Euphorbia epithymoides 'First Blush'
Sun to Part Shade 10-12" tall
Light green leaves have wide, cream margins flushed bright rose-pink from spring into summer. Low, mounded foliage. Radiant yellow bracts surround rosy flower buds in spring.

Bonfire Cushion Spurge

Euphorbia polychroma 'Bonfire'
Sun to Part Shade 18" tall
Blooms Spring. Phenomenal color! Deep purple, red, and orange leaves with a touch of chartreuse are set ablaze with crackling sulphur-yellow bracts in spring. Forms a rounded mound.

Bonfire Euphorbia, Cushion Spurge

Euphorbia polychroma 'Bonfire'
Sun 18" tall Space 36" apart
Multicolored foliage w/yellow bracts in Spring. Use to naturalize your landscape

Ascot Rainbow Cushion Spurge

Euphorbia x martinii 'Ascot Rainbow'
Sun 16-20" Tall
This Euphorbia is colorful with unusual bracts that last for months. These bracts are chartreuse, red and green in color and the foliage is just as vibrant.

Arizona Sun Gaillardia

Gaillardia x grandiflora
Sun 14-18" tall
Blooms Summer-Fall. Dwarf plant with daisy-like flowers with colors of an Indian blanket, bright maroon-red with gold borders. Large blooms cover the top of this plant all season long.

Dark Pink Gaura

Gaura Belleza
Sun 12-18" tall Blooms summer
Fragrant, dark-pink flowers on sturdy stems. Very drought and heat tolerant. A long blooming perennial if spent blooms are sheared.

Gaudi Red Gaura

Gaura lindheimeri 'Gaudi Red'
Sun 10-15" tall

Gaudi Red Gaura forms compact mounds of dark green foliage with short spikes of deep rose-red flowers. Stems and buds are darker red, adding a nice contrast. Blooms in the summer.

Rosy Jane Gaura

Gaura lindheimeri 'Rosy Jane'
Sun 16-20" Tall

Delicate looking flowers, yet great for hot and dry conditions. This Gaura has long stems of pink edged white flowers that bloom throughout summer.

Blue Cross Gentiana

Gentiana cruciata 'Blue Cross'
Sun to Part Shade 8-10" tall

A compact plant with intense blue-violet flowers on a durable drought resistant plant. Clusters of small flowers open at the nodes where spoon-shaped leaves meet at angles to form a cross.

Perfect Storm Hardy Geranium

Geranium x 'Perfect Storm'
Sun to Part Shade 9-12" tall

A storm of small, magenta-pink blossoms with a black center and veins are produced atop low, spreading mounds of velvety gray-green foliage. Summer blooms.

Rozanne Hardy Geranium

Geranium x 'Rozanne'
Sun to Part Shade 15-18" tall

Blooms Late Spring to Summer. Large violet-blue flowers with a white eye are produced prolifically from late spring till frost on widely sprawling plants.

Blazing Sunset Geum

Geum flora plena 'Blazing Sunset'
Sun to Part Shade 18-24" tall

Fully double, scarlet-red flowers up to 50% larger than other varieties. Blooms are produced over a long period, beginning in late spring.

Festival Star Baby's Breath

Gypsophila paniculata 'Festival Star'
Sun 12-18" tall

An long-blooming cultivar, flowering for months beginning in late spring. Forms a short, neatly compact mound of grey-green foliage that is covered in dense sprays of pure white flowers.

Sahin's Helenium

Helenium 'Sahin's Early Flowerer'
Sun 3' tall

Blooms Late Summer-Fall. One of the best native perennials for late season color. Deep red flowers streaked with orange and yellow with a brown cone appear over several months. Great for cut flowers.

Summer Sun Heliopsis

Heliopsis helianthoides
Sun 3-4' tall Blooms Late Summer

Beautiful, carefree perennial with semi-double, 3" wide, bright gold flowers all summer long. Strong stems make them great for cutting. Very heat tolerant plants.

Adorable Tiger Daylily

Hemerocallis x 'Adorable Tiger'
Sun to Part Shade 24-26" tall

Displaying clear, vibrant colors, this daylily produces golden orange flowers with a very prominent, sienna red eye. The eye covers half of the petals and there is an extra wide, red picotee edge too.

Apricot Sparkles Daylily

Hemerocallis x 'Apricot Sparkles'
Sun to Part Shade 15" tall

Repeat Bloomer. Deep apricot petals with a ruffled edge. A heavy bloomer that starts very early and reblooms until frost.

Bela Lugosi Daylily

Hemerocallis x 'Bela Lugosi'
Sun to Part Shade 30-34" tall

Widely regarded as one of the best purple daylilies on the market. Outstanding saturated true purple blooms with a lime green throat. A strong grower, well branched, and heavily budded.

Blackthorne Daylily

Hemerocallis x 'Blackthorne'
Sun to Part Sun 24-26" Tall

Very light creamy yellow blossoms with a hint of peach. Prominent, wine purple eye and matching edge half way up the ruffled petals.

Collier Daylily

Hemerocallis x 'Collier'
Sun to Part Sun 26-28" Tall

A blend of pink, gold, cream and yellow, with yellow concentrated in the center of the petals. Attractive ruffling.

Desert Flame Daylily

Hemerocallis x 'Desert Flame'
Sun to Part Sun 24-36" Tall

Large, flaming red-orange blossoms. Beautifully ruffled flowers with a lime green throat produced on very strong well-budded and branched scapes.

Flight of Angels Daylily

Hemerocallis x 'Flight of Angels'
Sun to Part Shade 32-36" tall

An exceptional diploid Daylily with blooms that stay open for two days. Yellow flowers with white eye are up to 10" wide, fragrant and semi-evergreen.

Garden Show Daylily

Hemerocallis x 'Garden Show'
Sun to Part Sun 22-24" Tall

Produces loads of large lavender-mauve flowers with a prominent citron yellow throat. Highly fragrant. Compact, proportional habit with well-branched scapes.

Happy Returns Daylily

Hemerocallis x 'Happy Returns'
Sun to Part Shade 18-24" tall

Blooms Summer. Canary yellow flowers. Repeat bloomer. Grass-like foliage. Good for massing or as a groundcover. Very low maintenance.

Marque Moon Daylily

Hemerocallis x 'Marque Moon'
Sun to Part Sun 22-24" Tall

This daylily sets the new standard for white daylilies. Extravagantly ruffled, fragrant blossoms with radiating yellow throat and matching edge. Heavy bloomer.

Mary Todd Daylily

Hemerocallis x 'Mary Todd'

Sun to Part Shade 24-26" tall

An award winning Daylily that is excellent for the landscape with masses of bright yellow blooms that will make a splash of color in your garden.

Pardon Me Daylily

Hemerocallis x 'Pardon Me'

Sun to Part Shade 18" tall

Blooms Summer. A popular, award-winning daylily with bright red fragrant blossoms with yellow throats. Repeat bloomer. Useful in foreground plantings or where a small, colorful plant is needed.

Plum Perfect Daylily

Hemerocallis x 'Plum Perfect'

Sun to Part Shade 24" tall

An early blooming purple Daylily with a 3" flower. This variety is very heat tolerant and will rebloom through the summer.

Red Hot Returns Daylily

Hemerocallis x 'Red Hot Returns'

Sun to Part Shade 24-28" tall

A continuous blooming Daylily with cherry red blossoms, a bright yellow halo, apple green throat and ruffled petals. Vigorous grower, produces several scapes per fan. Blooms all summer into fall.

Siloam Double Classic Daylily

Hemerocallis x 'Siloam Double Classic'

Sun to Part Sun 24-26" Tall

This beautifully fragrant, double daylily produces soft peachy-pink blossoms with a yellow halo and green throat.

Stella de Oro Daylily

Hemerocallis x 'Stella de Oro'

Sun to Part Shade 18-24" tall

Blooms Summer. Sensational award-winning selection that blooms with heavy clusters of yellow blooms. Reblooms freely into early fall. This easy to care for plant forms neat, compact clumps.

Amethyst Myst Coral Bell

Heuchera 'Amethyst Myst'

Part Shade to Shade 8-12" tall

Blooms Spring. Deep purple, amethyst foliage dusted with a fog of silver makes it unique from the coral bells of the past. In spring, light pink flowers appear and last well into the summer.

Obsidian Coral Bell

Heuchera 'Obsidian'

Part Shade to Shade 10" tall

Blooms Spring. Deep purplish-black leaves w/ undersides shiny & deep purple, forming a compact mound. Smoky purple buds & cream flowers rising 24" above foliage. Prefers well-drained soil.

Palace Purple Coral Bell

Heuchera 'Palace Purple'

Part Shade to Shade 8-10" tall Blooms Spring

Brilliantly colored purple-red foliage creates a spectacular background for the sprays of tiny white flowers. Great for adding color and vivid contrast with green foliaged plants.

Ruby Bells Coral Bell

Heuchera 'Ruby Bells'

Part Shade to Shade 16" tall Blooms Summer

Intense red flowers rise over evergreen foliage. Compact & well-branched. Ideal for woodland gardens or shady foundation bed.

Grape Expectations Coral Bell

Heuchera villosa 'Grape Expectations'

Part Shade to Shade 10-12" tall

An excellent grower that forms a dense upright mound of broad, thick and durable, vibrant grape-purple leaves with black veins. Creamy white flowers.

Berry Smoothie Coral Bell

Heuchera x 'Berry Smoothie'

Part Sun to Shade 12-16" Tall

A villosa hybrid with better cold tolerance, forms large clumps of bright rosy-pink mounds that mature to a purple rose by late summer. Vigorous grower that maintains summer color, white flowers.

Black Taffeta Coral Bell

Heuchera x 'Black Taffeta'

Part Sun to Shade 10-12" Tall

The glossy black leaves of this Coral Bell are silky and smooth like the fabric from an elegant gown. Large dark ruffled leaves make a bold statement in the garden. White flowers in late spring.

Cherry Cola Coral Bell

Heuchera x 'Cherry Cola'

Part Sun to Shade 16-18" Tall

Grown for its colorful foliage and flowers, forms low mounds of red foliage. Tall stems of complimentary cherry-red flowers bloom early summer. Compact and very floriferous.

Fire Alarm Coral Bell

Heuchera x 'Fire Alarm'

Part Sun to Shade 9-12" tall

Villosa hybrid, bright red foliage in spring and fall with summer foliage more brick-red. Forms medium clumps with thick leathery leaves. White flowers bloom in summer.

Forever Purple Coral Bell

Heuchera x 'Forever Purple'

Part Sun to Shade 10-12" Tall

A real knockout Coral Bell with vibrant purple glossy foliage and fluted edges. Very short spikes of purple-pink flowers in summer which brings you four seasons of purple.

Lime Marmalade Coral Bell

Heuchera x 'Lime Marmalade'

Part Sun to Shade 8-10" tall

A sport of Marmalade. A larger plant than other lime-green Coral Bells, ruffled foliage, mounding habit. White blooms in late spring to early summer.

Mega Caramel Coral Bell

Heuchera x 'Mega Caramel'

Shade to Part Sun 12-16" Tall

A large variety of Coral Bell. Caramel colored leaves have pink-purple undersides. Large cream flowers display on arching stems. Blooms midsummer.

Midnight Rose Coral Bell

Heuchera x 'Midnight Rose'

Part Shade to Shade 8-10" tall

A Coral Bell with dark purple almost black foliage that is spotted and flecked with bright markings. These colorful spots eventually lighten to a creamy color as plants mature.

Paris Coral Bell

Heuchera x 'Paris'

Part Sun to Shade 10-15" tall

The best re-blooming Coral Bell to date. Deep-rose colored flowers atop blue-green foliage with silver overlay. Reblooms in late summer.

Kopper King Hibiscus

Hibiscus 'Kopper King'

Sun 3-4' tall

Gigantic flowers up to 10" wide are light pink with a red eye that bleeds out through the veins. The petals are slightly ruffled and overlap. Maple-like, coppery-red leaves.

Luna Pink Swirl Hibiscus

Hibiscus moscheutos 'Luna Pink Swirl'

Sun 24-36" tall Blooms Mid Summer to Fall

Blooms white w/pink markings and red center. Large light green leaves. Extremely showy in flower. Great as a specimen plant or for the perennial border.

Luna Red Hibiscus

Hibiscus moscheutos 'Luna Red'

Sun 24-36" tall Blooms Mid Summer to Fall

Huge red flowers. Large light green leaves. Extremely showy in flower. Great as a specimen plant or for the perennial border.

Luna White Hibiscus

Hibiscus moscheutos 'Luna White'

Sun 24-36" tall Blooms Mid Summer to Fall

Large white flowers with red centers. Large light green leaves. Extremely showy in flower. Great as a specimen plant or for the perennial border.

Midnight Marvel Hibiscus

Hibiscus x 'Midnight Marvel'

Sun to Part Shade 3-4' tall

A stunning plant with deep wine-purple, maple-like foliage and 8-9 in. scarlet red flowers in summer. A very long blooming selection.

Mocha Moon Hibiscus

Hibiscus x 'Mocha Moon'

Sun to Part Shade 3-4' tall

A great combination of dark foliage and white flowers. Large 7-8 in. slightly cupped white flowers have a scarlet eye. Flowers are produced from top to bottom of the plant. Deep bronze-green foliage.

Starry Night Hibiscus

Hibiscus x 'Starry Night'

Sun 3-4' Tall

A plant with near black, broad, maple-like leaves. Interesting 7-8 in. pale pink flowers in summer that have darker pink speckling and veining. Slow to break dormancy in spring.

Fire and Ice Hosta

Hosta 'Fire and Ice'

Shade 10-14" Tall

Heart shaped leaves have wide pure white centers and dark green margins. Lavender flowers.

Empress Wu Hosta

Hosta 'Empress Wu'

Shade 3-4' tall

The largest known hosta in commerce. Makes a tremendous focal point. Huge, thick, dark green, deeply veined leaves form a massive upright clump.

Great Expectations Hosta

Hosta 'Great Expectations'

Shade 20" tall

Thick puckered leaves with wide, irregular, blue-green margins. Creamy yellow to white centers with green jetting towards the center. White flowers.

Blue Giant Hosta

Hosta sieboldiana 'Elegans'

Shade Foliage 24-36" tall

Blooms Summer. Large heavily textured blue-green leaves, blooms are nearly white. Prefers average, well-drained soil which is rich in organic matter.

Old Fashioned Hosta

Hosta undulata variegata

Shade Foliage 15-18" tall

Blooms Summer. Wavy leaves with white center and green edges. Lilac colored flowers in July. Prefers average, well-drained soil which is rich in organic matter.

Blue Mouse Ears Hosta

Hosta x 'Blue Mouse Ears'

Shade 6-8" tall

Adorable small hosta with thick, heart-shaped, blue-green to gray-green leaves. Forms a perfectly symmetrical mound. Clusters of lavender, bell shaped flowers emerge from balloon-like buds.

Curly Fries Hosta

Hosta x 'Curly Fries'

Shade 6-8" tall

This popular hosta forms a seemingly electrified clump of extremely rippled, narrow leaves. Mature plants have red speckled petioles. Chartreuse foliage and lavender flowers.

Dancing Queen Hosta

Hosta x 'Dancing Queen'

Shade Foliage 16-18" tall

An exceptionally unique yellow hosta that emerges bright yellow and remains yellow all season. Large leaves display a prominent pie crust edge. Pale lavender flowers.

Golden Tiara Hosta

Hosta x 'Golden Tiara'

Shade to Part Shade Foliage 8-12" tall

Blooms Late Summer. Quite dwarf for a Hosta. The green heart-shaped leaves exhibit a brilliant golden margin. Showy summer blooms of deep lavender on 24" spikes.

Hans Hosta

Hosta x 'Hans'

Shade 19-21" Tall

Blue-green, puckered, rounded leaves with a wide, feathery white center and green jetting between center and margin. Pale lavender flowers.

June Hosta

Hosta x 'June'

Shade to Part Shade Foliage 15" tall

Blooms Summer. Blue-green margins and chartreuse centers in spring. Centers turn gold in summer. Pale lavender flowers. Prefers average, well-drained soils rich in organic matter.

Loyalist Hosta

Hosta x 'Loyalist'

Shade 16-18" Tall

One of the best white centered hostas. Leaves have deep green margins and nearly pure white centers. Pale lavender flowers.

Patriot Hosta

Hosta x 'Patriot'

Shade to Part Sun Foliage 20" tall

Blooms Summer. Bold, dark green foliage displaying a gleaming white, 1" wide margin to the leaves. Lavender flowers. Brightens any shady border. Somewhat sun tolerant.

Rainbows End Hosta

Hosta x 'Rainbows End'
Shade 10-12" tall

This incredible variegated hosta has shiny, bright yellow leaves of good substance and dark green margins that jet into the center which brighten to creamy white in summer. Dark lavender flowers.

Rhino Hide Hosta

Hosta x 'Rhino Hide'
Shade 16-20" tall

This hosta has very thick leaves and is the ultimate in slug resistance. Cupped and puckered leaves have wide blue margins and narrow light-green centers that brighten to yellow. White flowers.

Royal Wedding Hosta

Hosta x 'Royal Wedding'
Shade 10-12" Tall

Forms an upright mound of thick shiny leaves. Sweetly perfumed large white flowers.

Sagae Hosta

Hosta x 'Sagae'
Shade 26-28" Tall

Large, wavy, frosted grey-green leaves with yellow to creamy white margins. Lavender flowers. Makes a lovely specimen in the garden.

Sum & Substance Hosta

Hosta x 'Sum and Substance'
Shade Foliage 20-24" tall

Blooms Mid-Summer. Biggest and most popular hosta. Stiff leathery leaves in bright chartreuse fading to gold as the days grow long and warm. Flowers on 3' stalks with lavender bells.

Jacqueline Hypericum

Hypericum x 'Jacqueline'
Sun 20-25" tall

A heat loving Hypericum with beautiful summer foliage. The plant has clusters of small bright yellow flowers in mid-summer and yellow berries in fall that turn red as they mature. Cut back in spring.

Snow White Candy Tuft

Iberis sempervirens
Sun to Part Sun 6-10" tall Blooms Spring

Dense clusters of white flowers. Shrub-like perennial with evergreen foliage. Good for front of border, rock garden and walls. May need winter protection.

Alexanders White Candytuft

Iberis sempervirens 'Alexander's White'
Sun 8-10" tall

Blooms Late Spring. Large clusters of flowers carpet the narrow, evergreen leaves. Tends to rebloom in the fall. Drought tolerant. Effective as a groundcover, edging or filler between stones.

Batik German Bearded Iris

Iris germanica 'Batik'
Sun 20-24" Tall

An early blooming iris with large royal purple flowers splattered and streaked with white flecks. Fragrant blooms.

Edith Wolford German Bearded Iris

Iris germanica 'Edith Wolford'
Sun 28-34" Tall

Mid-season bloomer with large bicolor flowers with light canary-yellow standards and blue-violet falls. Wonderfully ruffled with exquisite form.

Lenora Pearl German Bearded Iris

Iris germanica 'Lenora Pearl'
Sun 24-27" Tall

An early blooming iris with elegant salmon-pink blooms with slightly ruffled edges. Blooms highlighted by bright tangerine beard. Rebloomer.

Maid of Orange German Bearded Iris

Iris germanica 'Maid of Orange'
Sun 18-24" Tall

An early blooming variety, with outstanding orange blooms with dark tangerine beards. Vigorous grower producing 4-5 stems per rhizome.

Mostest German Bearded Iris

Iris germanica 'Mostest'
Sun 20-24" Tall

Early blooming, Gently ruffled bright golden blooms with gold beards.

Rare Treat German Bearded Iris

Iris germanica 'Rare Treat'
Sun 30-34" tall

Absolutely huge pure white flowers with deep blue plicata edges, very ruffled and frilly blooms.

Caesars Brother Siberian Iris

Iris sibirica 'Caesars Brother'
Sun to Part Shade 36" tall

Blooms Late Spring. Deep blue beardless flowers. Narrow upright foliage. Grows best in moist, acidic soil. Great for vertical effect in the landscape. Great for edges of bogs or water gardens.

Flamenco Red Hot Poker

Kniphofia hybrids 'Flamenco'
Sun to Part Sun 32" tall Blooms Summer

Blossoms are composed of fiery red, vivid orange and soft-yellow flower spikes that draw swarms of hummingbirds. Tufts of strap leaves form broad clumps. Ideal for a tropical look in the garden.

Hopi Crapemyrtle

Lagerstroemia indica 'Hopi'
Sun 10' tall

Blooms Late Summer. A winter hardy, heavy bloomer with pink flowers and good disease resistance. Plant in full sun and prune to promote vigorous growth.

Royalty Crapemyrtle

Lagerstroemia indica 'Royalty'
Sun 4' tall

Blooms Late Summer. A vigorous dwarf grower with brilliant purple blossoms. Plant in full sun and prune to promote vigorous growth.

Ruby Red Crapemyrtle

Lagerstroemia indica 'Ruby Red'
Sun 10' tall

Blooms Late Summer. A winter hardy, heavy bloomer with red flowers on 10" spikes. Plant in full sun and prune near to the ground in the spring to promote growth.

Cherry Mocha Crapemyrtle

Lagerstroemia x 'Cherry Mocha'
Sun 24-30" tall

A very refined plant for the landscape. Woody, burgundy-colored stems bear semi-glossy burgundy foliage. Cherry red flowers open in summer from shiny red buds, contrasting nicely with the dark foliage

Spiced Plum Crapemyrtle

Lagerstroemia x 'Spiced Plum'

Sun 24-30" tall

Rosy red flower buds open to raspberry purple flowers. Dark red stems hold deep green leaves with heavy olive highlights, forming a compact, rounded habit as stellar as the flowers.

Herman's Pride Lamiastrum

Lamiastrum galeobdolon 'Herman's Pride'

Part Shade to Shade 8-12" tall

A ground cover with variegated foliage of silver and green. Light yellow flowers bloom in early summer. Tolerates harsh conditions of heavy shade, poor soils and drought.

French Perfume Lavender

Lavandula angustifolia 'French Perfume'

Sun 12-15" tall

Gray-green foliage forms a compact, mound topped with intensely fragrant deep-purple flowers. An award-winning selection.

Phenomenal Lavender

Lavandula intermedia 'Phenomenal'

Sun 24-30" tall

A new lavender that tolerates extremes without dying back. A strong grower in the landscape. Large hedge type plant that form a broad mound of silvery green foliage and rich purple flower wands.

Provence Lavender

Lavandula X intermedia

Sun 30-36" tall

Blooms Summer. A large variety of Lavender with narrow lavender blue flower spikes that have an intensely sweet fragrance. Forms a large hedge-like shrub. More tolerant to damp winter soils.

Mini Blue Lavender

Lavandula angustifolia

Sun 10-12" tall Blooms Summer

Compact, rounded, w/ deep violet-blue flowers. It's excellent for edging, low hedges and containers.

Rosea Lavender

Lavandula angustifolium

Sun 12" tall Blooms Summer

Foliage is aromatic and grey-green and flowers are lavender, appearing in July and August. Thrives in full sun and loose, well-drained soil.

Real Neat Shasta Daisy

Leucanthemum Superbum

Sun to Part Shade 14-18" tall

Gorgeous flower form with multiple rows of perfectly fluted horizontal petals, and solid gold centers, strong stems and disease resistance.

Goldfinch Daisy

Leucanthemum superbum 'Goldfinch'

Sun to Part Shade 15-20" tall

An outstanding selection of daisies, the best yellow to date with semi-double blooms that emerge a bright yellow, gradually fading to ivory white. Flowers are held on strong stems. Very floriferous

Real Charmer Daisy

Leucanthemum superbum 'Real Charmer'

Sun to Part Shade 18-22" Tall

Medium height, large double cream to lemon flowers with fancy fringed petals, deep golden centers add additional color. Strong stems with disease resistant foliage.

White Breeze Shasta Daisy

Leucanthemum White Breeze

Sun 11" tall Blooms Summer

Ultra compact, pure white daisies w/prominent yellow eye, sturdy upright habit. Flowers first year. Remove old flowers to extend blooming period.

Becky Shasta Daisy

Leucanthemum x superbum 'Becky'

Sun 28-36" tall

Blooms Summer-Fall. White flowers stand on long lasting stems that make a superior cut flower. Short, deep shiny green foliage is resistant to heat, drought and humidity. Great for borders.

Purple Gayfeather

Liatrix spicata 'Blazing Stars Purple'

Sun 36" tall

Blooms Late Spring-Summer. Long, purple-colored spike flowers. Vertical leafy stems. Very drought resistant. Good for fresh cut flowers as well as dried flowers.

Blue Flax

Linum perenne 'Sapphire'

Sun 12-14" tall Blooms Spring-Summer

Fluorescent blue flowers. Arching stems of bluish green leaves. Good for informal or naturalistic meadow-like gardens.

Big Blue Liriope

Liriope muscari 'Big Blue'

Shade to Part Sun 9" tall Blooms Mid-Summer

Popular tufted evergreen with arching, dark green, grass like foliage. Spikes of blue, hyacinth shaped flowers rise above the foliage in summer followed by black berries. A superb groundcover.

Royal Purple Liriope

Liriope muscari 'Royal Purple'

Shade to Part Sun 9" tall

Blooms Mid-Summer. Tufted evergreen with arching, dark green, grass- like foliage. Spikes of deep purple flowers rise above the foliage in summer followed by black berries. A great edging plant.

Variegated Liriope

Liriope muscari 'Variegata'

Part Sun to Part Shade 9" tall

Blooms Mid-Summer. Dark green leaves have yellow stripes that brighten and add contrast to any planting. In September, lilac flowers bloom on stems as tall as the leaves. A superb edging plant.

Queen Victoria Cardinal Flower

Lobelia

Part Shade 3-4' tall Blooms Late Summer

Showy, dark red blossoms on dark green or reddish-bronze foliage spikes. Grows best with partial shade in moist organic soil. Use as a specimen plant or in mass.

Fan Scarlet Cardinal Flower

Lobelia speciosa 'Fan Scarlet'

Sun to Part Shade 24" tall

Blooms Late Summer. Compact bronze foliage with scarlet-red flowers. Vigorous base-branching habit. Use as a specimen plant or in mass.

Ostrich Fern

Matteuccia struthiopteris

Shade to Part Shade 3' tall

Large, graceful fronds resemble ostrich plumes. Vivid, bright green coloring turns to yellow in late fall. Excellent fern for woodland gardens and damp areas such as edging a pond.

Jacob Cline Bee Balm

Monarda didyma 'Jacob Cline'

Sun to Part Sun 48" tall

Blooms Mid-Summer. Whorls of scarlet red tubular flowers blossom from June to September and blend perfectly with other prairie wildflowers and herbs. Mildew resistant, mint scented foliage.

Monarda Mix Bee Balm

Monarda didyma 'Monarda Mix'

Sun to Part Sun 2-3' tall Blooms Mid-Summer

Mix of scarlet, crimson, pink and red flowers. Strong mint scented foliage. Used for teas.

Petite Delight Bee Balm

Monarda hybrid

Sun to Part Sun 12" tall

Blooms Mid-Summer. Dark green foliage is mildew resistant and aromatic. Hardy plants produce large lavender-rose terminal flowers in early summer. Nectar source for bees, butterflies and hummingbirds.

Rockin Raspberry Bee Balm

Monarda x 'Rockin Raspberry'

Sun to Part Shade 16-20" tall

A vigorous Bee Balm with dark greenish purple leaves. Has a deep raspberry purple bloom in mid-summer.

Junior Walker Catmint

Nepeta faassenii 'Junior Walker'

Sun to Part Shade 12-15" tall

A dwarf catmint with sterile flowers. The plant forms attractive clumps of aromatic grey-green foliage and masses of lavender-blue flowers. Blooms early and continues to bloom all summer.

Walker's Low Catmint

Nepeta mussinii 'Walkers Low'

Sun to Part Shade 12" tall

Blooms Summer-Fall. Blue flower spikes adorn the fragrant mounds of gray-green foliage. Excellent for groundcover or cascading off walls or container edges. Attracts hummingbirds and butterflies.

Little Trudy Catmint

Nepeta x psfike 'Little Trudy'

Sun to Part Sun 8-10" tall; spread 12-16" Blooms Late Spring to Late Summer

Compact form of catmint w/a low spreading habit & long bloom season. Deer or rabbit repellent, drought resistant.

Twilight Evening Primrose

Oenothera berlandieri 'Twilight'

Sun to Part Shade 10-12" tall

A compact spreading plant with large 2-3" pale pink flowers in summer. The foliage is a deep purple-bronze. Tolerant of hot, dry conditions.

Twilight Primrose

Oenothera berlandieri 'Twilight'

Sun to Part Sun 10-12" tall Blooms Summer

2-3" pale, pink flowers above deep, bronze foliage. Compact spreading habit, tolerant of hot, dry conditions.

Missouri Primrose

Oenothera missouriensis

Sun to Part Shade 9-12" Tall

Canary yellow, mildly fragrant, 3-in. wide flowers. Dark green, lanceolate leaves. Following the blooms, unusual 2-3 in. long, 4-winged seed pods develop beautiful in arrangements.

Coral Charm Peony

Paeonia lactiflora Hybrids

Sun to Part Shade 28-36" tall

Semi-double, prized color of deep coral buds opening to huge bowl-shaped blooms of coral-peach with glowing yellow centers. Tall, strong stems rarely need staking and make superb cut flowers.

Festiva Maxima Peony

Paeonia lactiflora Hybrids

Sun to Part Shade 24-36" tall

Blooms Late Spring. Huge, double white blooms on bold, erect stems. Excellent background plant for spring bulbs and in perennial or shrub borders. Choice cut flowers.

Karl Rosenfield Peony

Paeonia lactiflora Hybrids

Sun to Part Shade 30-34" tall

Brilliant fuchsia-red blooms are a double, semi-rose type. They make wonderful mildly fragrant cut flowers. Blooms late spring.

Primevere Peony

Paeonia lactiflora Hybrids

Sun to Part Shade 24-28" tall

A Japanese type Peony with large pure white outer petals with yellow and white center petals resembling a pompom, very fragrant. Strong erect stems make this an excellent cut flower.

Sarah Bernhardt Peony

Paeonia lactiflora Hybrids

Sun to Part Shade 24-36" tall

Blooms Late Spring. Huge, double pink blooms on bold, erect stems. Excellent background plant for spring bulbs and in perennial or shrub borders. Choice cut flowers.

Allegro Oriental Poppy

Papaver orientalis

Sun 16" tall Blooms Spring-Early Summer

Huge black-eyed, orange-red flowers. Robust clumps of coarse bristly haired leaves. Foliage goes dormant after bloom. Good cut flower, sear ends of stems.

Miniature Bells

Penstemon

Sun to Part Sun 16" tall Space 12" apart

Miniature bells in pink, purple and rose shades above blue-green foliage

Husker Red Penstemon

Penstemon hirsutus 'Husker Red'

Sun 24-36" tall

Blooms Summer. Striking deep red foliage complemented by extra large, pinkish-white flowers. Prefers good drainage. Superb for beds, borders, and rock gardens.

Red Rocks Penstemon

Penstemon x mexicali 'Red Rocks'

Sun to Part Shade 15" tall

Blooms Summer. Attractive mounds of narrow green foliage, bright rose-colored flowers bloom all summer long, very heat and drought tolerant. Does not tolerate wet feet over winter.

Russian Sage

Perovskia atriplicifolia

Sun 3-5' tall

Blooms Late Summer-Fall. Shrub-like perennial produces airy spires of lavender-blue flowers that look elegant against silvery, aromatic foliage. Provides stunning backdrop in perennial borders.

Little Spire Russian Sage

Perovskia atriplicifolia 'Little Spire'

Sun 25" tall

Blooms Late Summer-Fall. A wonderful shorter cultivar with lavender-blue flowers against silvery foliage. Selected for its short upright habit that prevents it from leaning in the landscape.

Peek-A-Blue Russian Sage

Perovskia atriplicifolia 'Peek-A-Blue'

Sun 24-28" tall

Our shortest Russian Sage measuring just over 2' tall at maturity. Very lacy, finely dissected, silvery green leaves line the silvery stems topped with lavender blue flowers.

Little Spire Russian Sage

Perovskia atriplicifolia Lacey Blue

Sun 18-24" tall; 24-36" spread Blooms Mid Summer-Fall

A wonderful shorter cultivar with lavender-blue flowers against silvery foliage. Drought tolerant/resistant, deer/rabbit tolerant, bee friendly.

Blue moon Phlox

Phlox divaricata

Part Shade to Shade 12" tall

Native woodland plant producing clusters of fragrant, blue flowers in spring.

David Tall Phlox

Phlox paniculata 'David'

Sun to Part Shade 40" tall

Blooms Summer. Exceptionally large, showy, fragrant, white flower clusters on tall plants. A very good cut flower. Was the 2002 Perennial Plant of the Year.

Franz Schubert Tall Phlox

Phlox paniculata 'Franz Schubert'

Sun to Part Shade 3' tall

Blooms Summer. Showy, lilac blue flowers with a lighter edge and eye. Very fragrant. Make good cut flowers.

Mini Star Tall Phlox

Phlox paniculata 'Mini Star'

Sun to Part Shade 12" tall

Blooms Summer-Fall. Dwarf variety, rose colored flowers with a darker red eye. Mildew resistant foliage. Early blooming.

Nicky Tall Phlox

Phlox paniculata 'Nicky'

Sun 30-36" tall

Blooms Late summer. A mildew resistant tall phlox with fragrant dark magenta purple flowers.

Toot Sweet Tall Phlox

Phlox paniculata 'Toot Sweet'

Sun to Part Shade 18-24" tall

Bright, coral colored flowers on stout stems in summer. Clean, mildew resistant foliage.

Younique Orange Tall Phlox

Phlox paniculata 'Younique Orange'

Sun 14-16" tall Blooms summer

Large orange-flowers on compact mounded plant. Remove old flowers for repeat flowering.

Blue Creeping Phlox

Phlox subulata 'Blue Emerald'

Sun 4-6" tall Blooms Spring

Blue flowers. Evergreen, needle-like foliage. Good groundcover or rock garden plant. Space 18-24" apart.

Candystripe Creeping Phlox

Phlox subulata 'Candystripe'

Sun 4-6" tall Blooms spring

Pink w/white edged flowers. Evergreen, needle-like foliage. Use as groundcover or in rock garden.

Scarlet Flame Creeping Phlox

Phlox subulata 'Scarlet Flame'

Sun 4-6" tall Blooms Spring

Scarlet-red flowers. Evergreen, needle-like foliage. Good groundcover or rock garden plant. Space 18-24" apart.

Crystal Peak White Physostegia

Physostegia virginiana 'Crystal Peak White'

Sun to Part Shade 14-16" Tall

Compact and early blooming. Dark green uniform foliage with spires of pure white flowers.

Balloon Flower

Platycodon Astra Blue

Sun 8-10" tall Blooms Summer

Showy blue, balloon-like flower buds burst open into bell-shaped flowers. Remove faded flowers to lengthen blooming season. Be patient in the Spring, as this plant is slow to emerge.

Variegated Jacob's Ladder

Polemonium caeruleum 'Brise d' Anjou

Shade to Part Shade 12" tall Blooms mid spring to mid summer

24" blue flowers spikes on 12" tall variegated, ferny foliage. Colorful shade plant, grow in evenly moist soil.

Variegated Solomon's Seal

Polygonatum odoratum Variegatum

Part Sun to Shade 16-20" Tall

A slow clumping woodland plant with single arching stems. Pendulous white flowers dangle under the leaves. Variegated leaves edged in creamy yellow turning white. Prefers moist woodland setting.

SuperNova Primrose

Primula x polyantha 'SuperNova'

Shade to Part Shade 8" tall Blooms Spring-Early Summer

A vibrant mix of blue, red, pink, yellow and white flowers. Compact, uniform plant can be used in front of borders and rock gardens.

Raspberry Splash Pulmonaria

Pulmonaria x 'Raspberry Splash'

Part Sun to Shade 10-12" tall

Narrow silver spotted foliage with an upright growth habit, profuse bloomer with clusters of dusky raspberry-coral flowers, mildew resistant, gorgeous foliage and flowers.

Chocolate Wings Rodgersia

Rodgersia pinnata 'Chocolate Wings'

Shade to Part Sun 12-15" tall

A bold, shrub-like shade perennial. Leaves emerge brown and undergo color changes from green, bronze, and red before returning to brown. Flowers open pale pink and darken to burgundy red.

Goldsturm Black-Eyed Susan

Rudbeckia fulgida 'Goldsturm'

Sun 20-24" tall

Blooms Late Summer-Fall. Golden-yellow, daisy-like flowers with dark centers appear on tall stems with, hairy, dark green leaves. Black-coned seed heads provide winter interest in the garden.

Cherry Brandy Black-Eyed Susan

Rudbeckia x hirta 'Cherry Brandy'

Sun to Part Shade 20-24" Tall

The first red Rudbeckia, vigorous and robust grower producing 3-4" maroon red flowers with dark centers. Blooms all summer. Heat and drought tolerant.

Denver Daisy Black-Eyed Susan

Rudbeckia x hirta 'Denver Daisy'

Sun to Part Shade 18-20" Tall

Compact with vigor keeps this selection blooming all summer. Large golden yellow flowers with contrasting red centers. Strong stems with dense branching resist flopping. Heat and drought tolerant.

Pearlwort or Irish Moss

Sagina subulata

Sun to Part Sun 2" tall Blooms Summer

Though not a true moss, it forms a tight mound like moss does. Works well as a ground cover around stepping-stones and in rockeries. White flowers in mid-summer. Tolerates heavy foot traffic.

Caradonna Salvia

Salvia nemorosa 'Caradonna'

Sun 24-30" tall

A taller Salvia with beautiful dark purple erect stems, contrasts nicely with the green foliage, violet-purple flowers.

East Friesland Salvia

Salvia nemorosa 'East Friesland'

Sun 16-18" tall

Blooms Early Summer-Fall. Spikes of violet-purple flowers stand at attention above the nicely mounded foliage. Long flowering and easy to grow. Heat and drought tolerant.

Blue Queen Salvia

Salvia x superba 'Blue Queen'

Sun 12" tall Blooms Late Spring-Summer

Intense blue flowers with puckered, gray-green foliage. Superb garden plants. Drought tolerant. Mulch in winter. Good cut flower. Great for borders or beds.

Soapwort

Saponaria ocymoides

Sun 6-8" tall

Forms a nice patch of semi-evergreen foliage that works well as a filler between stones on a path, or in rock gardens. Small, bright pink flowers appear prolifically in early summer.

Deep Blue Scabiosa

Scabiosa x 'Deep Blue'

Sun 10-12" Tall

A compact Scabiosa with large deep blue pom-pom flowers. Blooms from spring through summer. A great preforming no-fuss plant.

Flutter Blue Scabiosa

Scabiosa x 'Flutter Blue'

Sun 12-15" tall

A compact Scabiosa with large vibrant blue pom pom flowers from spring through summer. A great preforming no-fuss plant.

Mr. Goodbud Sedum

Sedum 'Mr. Goodbud'

Sun 12-14" tall

An upright clumping sedum with spectacular purple-pink flowers in the fall. It has smokey blue-green foliage and purple tinged stems that form perfect compact clumps. Very strong stems remain upright.

Stonecrop

Sedum sieboldii

Sun 4-6" tall Blooms Late Summer-Fall

Half inch rosy flowers in fall, lovely mound-like species splays out from center like a miniature fountain. Useful in beds, borders, & containers.

Sieboldi Sedum

Sedum sieboldii

Sun 6-10" tall

Low, spreading species; forms a rounded mound and spreads horizontally from the crown. Round, blue-green leaves with a narrow pink margin. Small clusters of bright pink flowers in early fall.

Autumn Joy Sedum

Sedum spectabile 'Autumn Joy'

Sun to Part Sun 15-24" tall

Blooms Late Summer-Fall. Vivid pink flower. Pale green, fleshy foliage with compact growth habit. Water sparingly. Low maintenance. Rusty, red dried flower heads add interest to the winter landscape.

Mini Joy Live-Forever

Sedum spectabile 'Mini Joy'

Sun to Part Sun 18-22" tall Blooms Late Summer-Fall

Large, feathery clusters of salmon pink flowers. Sturdy stems hold blossoms up even in windy conditions. Drought tolerant once established.

Dark Magic Sedum

Sedum telephium 'Dark Magic'

Sun 10-12" Tall

A plant with stunning dark purple black leaves and stems. Dark pink flowers in late summer to fall with multiple crowns. Short and very upright growth habit. Drought tolerant.

Red Beauty Hens and Chicks

Sempervivum

Sun to Part Sun 4" tall; space 10" apart

Dense rosettes are red in summer and turn burgundy in cold weather but color may vary from season to season. Produces clusters of light pink flowers in mid-summer.

Carmen Hens and Chicks

Sempervivum 'Carmen'

Sun to Part Sun 2-8" tall; space 9-12" apart

Emerald green succulent leaves w/bright red tips. Drought, heat, and shade tolerant.

Silene Clifford Moor

Silene dioica

Sun to Part Sun 18" tall; space 18" apart

Variiegated leaves w/deep green centers & creamy gold margins; single pink flowers. Evergreen clump in winter; Shade tolerant.

Clifford Moor Silene

Silene dioica 'Clifford Moor'

Part Sun to Part Shade 12-18" Tall

An attractive variegated plant that produces clusters of pink flowers in late spring.

Lucerne Blue-eyed Grass

Sisyrinchium angustifolium 'Lucerne'

Sun to Part Shade 10-12" tall

Forms compact semi-evergreen tufts of narrow grass-like foliage, vivid star-shaped blue flowers with bright yellow eyes, blooms in small terminal clusters in late spring. Very floriferous.

Lambs Ear

Stachys byzantina

Sun to Part Sun 12-18" tall Blooms Summer

Spikes of rosy-mauve flowers. Thick mats of densely white, wooly leaves. One of the best edging plants. Allow plants to sprawl to soften hard lines. Good for containers.

Pink Cotton Candy Stachys

Stachys officinalis 'Pink Cotton Candy'

Sun to Part Shade 18-24" Tall

A low growing plant the forms attractive clumps of green leaves and tall spikes of densely packed light pink flowers. Blooms in early summer and reblooms if deadheaded. Heat and drought tolerant.

Honeysong Purple Stokesia

Stokesia laevis 'Honeysong Purple'

Sun 12-14" tall

True royal purple with a hint of red towards the center. Individual flowers measure 3" across and have petals with deeply serrated edges. Deep green foliage with a neat mounded habit.

Robinson's Red Painted Daisy

Tanacetum coccineum 'Robinson's Red'

Sun to Part Shade 18-24" Tall

A carefree perennial with fern-like foliage, and large deep scarlet flowers with bright yellow centers. Blooms in early summer.

Germander

Teucrium chamaedrys

Sun 5-8" tall

Blooms Summer. The rich mauve flowers mix elegantly with the dark green, waxy leaves. Plants may be sheared to any size and shape for a very formal look.

Sweet Kate Spiderwort

Tradescantia

Sun to Part Shade 12-15" tall

A narrow grass-like plant with chartreuse foliage and blue flowers. Flowers open over a long period beginning in early summer.

First Glory Veronica

Veronica longifolia

Sun to Part Sun 16-22" tall Blooms late spring, summer

Short, thick spikes of deep blue flowers on compact, highly uniform plants. Remove old flowers to encourage reblooming. Attracts bees and butterflies.

Red Fox Spike Veronica

Veronica spicata 'Red Fox'

Sun 12-15" tall

Blooms Summer. Strong, compact spikes of deep rose will punctuate any mixed perennial border with bold color. Deadhead down to basal foliage to promote second flush of blooms. A proven performer!

Giles van Hees Veronica

Veronica x 'Giles van Hees'

Sun to Part Shade 6-8" tall

A lovely Veronica that forms dwarf clumps with spikes of bright rosy-pink flowers. Blooms summer through fall.

Royal Candles Spike Veronica

Veronica x 'Royal Candles'

Sun 15-18" tall

Blooms Summer. Abundant violet-blue flowers on compact, upright plant. Bottom foliage does not die like other Veronicas. Great for front of border, edging, mixed containers, rock gardens or in mass.

Very Van Goah Veronica

Veronica x Very Van Gogh

Sun to Part Shade 15-18" tall

A colorful perennial with masses of rosy purple flowers, and bright green upright clumping foliage. Blooms from midsummer into fall. Removing spent flowers may promote rebloom.

Adam's-Needle Yucca

Yucca filamentosa

Sun 3' tall 4' across

Stiff sword-shaped leaves having an attractive bluish coat. Produces showy bell-shaped flowers on 4'-5' stems in May and June. Withstands dry conditions, easy to grow! Good accent plant.

Color Guard Yucca

Yucca filamentosa 'Color Guard'

Sun 2-3' tall 4' across

Sword-like yellow leaves with green edges, flushed with rose in fall. Produces showy bell-shaped flowers on 3-4' stems in June and July. Withstands dry conditions, easy to grow!
