**Acorus**

Sweet Flag  
Part Shade to Sun 2-3' tall Ornamental Grass  
Use as a specimen plant in water gardens or bog areas where the soil is constantly moist to wet.

---

**Bouteloua**

Blonde Ambition Bouteloua  
Sun to Part Shade 2-3' tall  
This North American native grass produces chartreuse flag-like blooms in mid to late summer. Tolerates many soil types and is very drought tolerant. Low maintenance.

---

**Calamagrostis**

Feather Reed Grass  
Sun 3-5' tall  
Create stunning vertical effects with feathery stalks that emerge reddish-brown in spring and turn golden in fall. Blooms 2 to 3 weeks earlier than common feather reed grass. Seeds are sterile.

---

**Calamagrostis**

Korean Feather Reed Grass  
Sun to Part Shade 4' tall  
A warm season grass that blooms later in summer, even in part shade. Purplish red fluffy bottlebrush plumes age to greenish tan.

---

**Chasmanthium**

Northern Sea Oats  
Sun to Part Shade 3-5' tall Ornamental Grass  
Clumping grass that is treasured for its showy drooping flowers and rich bamboo-like foliage. Effective in mass plantings in shady damp locations. Flowers are attractive all season long.

---

**Erianthus**

Pampas Grass  
Sun 10' tall  
A lovely tall ornamental grass. Superb as an accent, screen, or architectural specimen. Showy 2-foot long silvery-white silky plumes have gorgeous autumn coloring. Foliage has a clumping habit.

---

**Festuca**

Blue Fescue  
Sun 12" tall Ornamental Grass  
Low tufted grass with many stems and fine bluish-silver leaves. They are very drought hardy and great in clumps, borders, containers, and rock gardens. A great looking non-invasive grass.

---

**Miscanthus**

Maiden Grass  
Sun 6-8' tall  
Attractive ornamental grass with fine-textured silver-green blades that turn golden-bronze after first frost. Delicate silvery-white plumes. Great specimen, or use in groups as a screen.

---

**Miscanthus**

Nippon Maiden Grass  
Sun to Part Sun 4-5' tall  
Gracefully arching compact mounds of dark green leaves with silver midribs. Inflorescences emerge deep wine, age to cream, and remain all winter.

---

**Miscanthus**

Variegated Maiden Grass  
Sun 4-5' tall  
A dwarf form of variegated maiden grass with green and white variegated foliage. Beautiful coppery-tan plumes stand above the foliage in the fall.

---

**Miscanthus**

Zebra Maiden Grass  
Sun 3-4' tall  
Reddish purple plumes in late summer. Leaf blades hold green and yellow banding all season long. Great as a specimen or in groupings.

---

**Panicum**

Hot Rod Switch Grass  
Sun 36-40" tall  
This upright grass emerges in spring with blue-green foliage that will turn deep maroon in early summer. The maroon color will intensify as the season progresses.

---

**Panicum**

Northwind Switch Grass  
Sun 4-5' tall  
A very sturdy and upright grass with wide blue-green foliage. Slender upright panicles bloom within the top of foliage creating a very vertical and formal look. Turns golden yellow in fall.

---

**Pennisetum**

Annual Purple Fountain Grass  
Sun 2-4' tall  
Striking annual grass with purple plumes. Fast growing. Makes a nice backdrop, border, or central focus in the landscape.

---

**Pennisetum**

Burgundy Bunny Fountain Grass  
Sun 12-16" tall  
This colorful petite sport of Little Bunny forms a rounded clump of green foliage that turns red in summer. All-over blazing red fall color until frost.

---

**Pennisetum**

Fountain Grass  
Sun 3-4' tall Ornamental Grass  
A very showy ornamental grass with graceful arching foliage and cylindrical rose-colored flower spikes. They add a wild but soft effect wherever they are used.

---

**Pennisetum**

Foxtrot Giant Fountain Grass  
Sun 4-5' tall  
Forms a dense clump as tall as it is wide. The narrow green leaves turn gold in fall. Produces smoky-rose bottlebrush plumes measuring 6-8" long or more. A very strong grower.

---

**Pennisetum**

Hamel Dwarf Fountain Grass  
Sun to Part Shade 1-2' tall  
Attractive grass highlighted by fluffy buff-colored plumes arching above foliage. Dark green tufted blades turn golden russet in fall. Terrific contrast when used among shrubs and perennials.

---

**Pennisetum**

Little Bunny Dwarf Fountain Grass  
Sun to Part Shade 12" tall Ornamental Grass  
Most dwarf of the fountain grasses. It has fluffy buff colored blooms and dark green foliage that turns gold in fall. A great contrast among shrubs and perennials.

---

**Phalaris**

Strawberries & Cream Ribbon Grass  
Sun 24" tall Ornamental Grass  
Green/white variegated foliage. When weather turns cool the foliage blushes pink. An aggressive grower tolerant of many soils & conditions.

**Schizachyrium**

Smoke Signal Little Bluestem

Sun 3' tall

A beautifully refined native plant that takes on scarlet-red tones in late summer and turns deeper red-purple in fall. Maintains its strictly upright habit through the fall without flopping.
