
Achillea

Cloth of Gold Yarrow

Sun 30-36" tall Blooms summer

Large golden-yellow flowers with elegant ferny, gray-green foliage. Good for cut or dried flowers. Drought tolerant and thrives in poor, dry soils.

Achillea

Colorado Yarrow

Sun 24" tall Blooms summer and fall

Unique blend of pastel colored flowers with elegant feathery gray-green foliage. Good for cut or dried flowers. Drought tolerant and thrives in poor, dry soils.

Achillea

Moonshine Yarrow

Sun 18-24" tall

Flat-topped canary yellow flower clusters and ferny bright silver foliage. Blooms over a long time from early to mid summer and will rebloom if cut back. Drought tolerant.

Achillea

Pomegranate Yarrow

Sun 24-30" tall

Rich magenta red flowers with dark green leaves. Heat and drought tolerant. A robust grower with strong stems and uniform growth.

Achillea

Strawberry Seduction Yarrow

Sun 18-22" tall

A compact Yarrow with dark green foliage and better branching to form a tight uniform flower canopy. Large velvety red flowers with yellow centers are produced in summer.

Achillea

Vintage Red Yarrow

Sun 12-14" tall

A compact long blooming Yarrow with hot pink-red flowers that do not fade. Holdsits shape and reblooms very well.drought tolerant and can trive in poor, dry soils.

Adenophora

Gaudi Violet Ladybells

Sun 20-28" tall

Praised for its free flowering habit, terminal racemes of elegant, soft violet drooping bell-shaped flowers, held on upright stems well above the foliage. Requires well-drained soil that is amended

Adiantum

5 Finger Maidenhair Fern

Shade to Part Shade 1-3' tall

Fan shaped, light-medium green fronds w/dark stems. Prefers fertile, moist soil and filtered light. Deer resistant.

Agapanthus

Galaxy Blue Agapanthus

Sun 34-38" tall

A long blooming plant with large 4" clusters of dark blue flowers produced on tall stems over large, rounded clumps of foliage. Mulch heavily in the winter to protect plant from cold.

Agapanthus

Galaxy White Agapanthus

Sun 36-40" tall

A long blooming plant with large 5" clusters of pure white flowers. Flowers are globular clusters that are produced on tall stems over large, rounded clumps of foliage. Very vigorous

Agastache

Fragrant Carpet Mix Hummingbird Mint

Sun to Part Sun 12-18" tall Blooms summer

Mix of pastel tones of pink, rose, lilac, tangerine, & lemon on mint scented foliage. Dought tolerant once established. Attracts Bees, Butterflies, & Hummingbirds.

Agastache

Little Adder Hummingbird Mint

Sun 22-24" tall Blooms summer and fall

Plumes of rich purple flowers on compact plant. Enjoy the mint-scented foliage summer-fall. Deer resistant and heat-loving.

Alcea

Powderpuff Mix Hollyhock

Sun 4-5' tall Blooms summer

Mix of fully double white, pink, purple, yellow and red flowers. Dense, rounded, light green foliage. Popular old fashioned plant for cottage gardens. May require staking in windy areas.

Allium

Millenium Allium

Sun 12-18" tall

Allium is a clump forming plant that produces purple pink flowers held above green grass-like foliage in late summer. Drought tolerant.

Allium

Summer Beauty Allium

Sun 18-20" tall

Very long blooming selection with large terminal clusters of lavender blue flowers. Glossy dark green foliage forms dense clumps and remains attractive all season. Drought tolerant

Amsonia

Blue Ice Amsonia

Sun to Part Shade 12-15" tall

Compact selection with narrow dark green foliage and spectacular clusters of dark lavender blue blooms in late spring. Foliage turns bright yellow in fall for added color.

Anemone

Pamina Anemone

Sun to Part Shade 24-30" tall

Very large semi-double to double pink-red flowers bloom late summer. Attractive dark green foliage. Plants grow best in moist well-drainde soil.

Anemone

Robustissima Anemone

Sun to Part Shade 26-30" tall

Most hardy and vigorous anemone, earliest to bloom, forms attractive clumps with single pink flowers. Plants grow best in moist, well-drained soil.

Aquilegia

Cameo Mix Columbine

Part Sun to Part Shade 6-8" tall Blooms spring

Upward facing, bicolor flowers of pink and white with blue-gray foliage. Wonderful miniature columbine. Does well in moist soils.

Aquilegia

McKana Giant Columbine

Part Sun to Part Shade 30" tall Blooms spring

A blend of 8 rich colors on tall, impressive 30-inch plants. These gorgeous blooms measure a full 4 inches across, with long spurs. Ideal for cutting or for lovely spring and summer garden color.

Aralia

Sun King Aralia
Part Sun 2-3' tall

This hardy tropical looking beauty brightens up the shade garden with its very large compound bright gold leaves. Tiny white flowers give way to purple black berries in fall.

Armeria

Joystick Sea Thrift
Sun to Part Sun 12-18" tall Blooms spring and early summer
Mixed colors include carmine, pink & white. Blooms spring to early summer. Attracts butterflies, likes well-drained soil.

Armeria

Sea Thrift
Sun to Part Shade 8-10" tall

A plant with an attractive compact habit with tufted evergreen leaves, exceptionally bright carmine-rose flowers bloom over long periods in the spring.

Artemisia

Hardy Dusty Miller
Sun 15" tall Blooms summer

Felted silver foliage with yellow flowers in summer. Extremely hardy form of Dusty Miller. Excellent for rock gardens or border edges.

Artemisia

Silver Mound
Sun 12" mounding

Compact mound-like habit and silver gray fern-like foliage. Prefers average to poor well-drained soils. Excellent for rock gardens or border edges.

Asarum

Chinese Wild Ginger
Part Sun to Shade 5-8" tall

Vigorous, spreading groundcover with heart-shaped dark green leaves elegantly mottled with silver. Semi-evergreen, fresh foliage is produced over older leaves each spring.

Asclepias

Butterfly Milkweed
Sun 24" tall

Blooms in Summer and slow to emerge in spring. Prefers dry well-drained soils. Vibrant orange to red flowers are a magnet for butterflies. Seed pods are used in flower arrangements.

Asclepias

Cinderella Milkweed
Sun 42-60" tall

Long stems with rich green leaves form an upright growth habit. Terminal clusters of soft pink flowers offer sweet vanilla scent irresistible to butterflies. Prefers moist soil.

Aster

Alert Dwarf Aster
Sun 8-12" tall

Blooms in Fall. This aster makes a fine show in the autumn border with its abundance of small, showy red-violet flowers. Dark green compact foliage. Pinch back and divide like mums for best display.

Astilbe

Color Flash Astilbe
Shade to Part Sun 16-18" tall

Its ever changing foliage color is a dramatic statement in the garden. Brilliant spring green foliage matures to a blend of burgandy, purple and green during summer. Light pink flowers late spring.

Astilbe

Deutschland Astilbe
Part Shade to Shade 20-24" tall

Blooms Early Summer. Graceful, airy mounds with showy plumes of feathery white flowers. Nice colorful landscape accent in moist areas. Good in pots and tubs. Good for cut or dried flowers.

Astilbe

Fanal Astilbe
Part Shade to Shade 20" tall

Blooms Early Summer. Tall, feathery blooms of deep garnet red valued for light, airy quality, rise above bronze-green foliage. Great in massed plantings. One of the most popular red astilbes.

Astilbe

Visions Astilbe
Part Shade to Shade 12-14" tall

Blooms Early Summer. Showy soft lavender-purple plumed flower spikes. Smaller plant is perfect for containers or in clusters at the front of shaded beds. Protect from hot afternoon sun.

Athyrium

Godzilla Japanese Painted Fern
Shade 24-30" tall

Similar to Japanese painted fern but much larger. Forms a massive arching clump of silvery fronds with green highlights and dark purple stems.

Athyrium

Japanese Painted Fern
Shade 18" tall

Dramatic foliage is a stand-out in the shade garden. Each frond bears a darker blue-green central rib that fades to silver at the edges. Excellent foreground foliage and ideal for pots.

Baptisia

Chocolate False Indigo
Sun 3-4' tall

A new False Indigo cross with deep brownish-purple flowers in mid-spring to summer. Drought tolerant, an excellent native selection.

Baptisia

False Indigo
Sun to Part Sun 3-4' tall

Blooms Late Spring. Blue-green foliage is topped by short spikes of indigo-blue, pea-like flowers. Attractive seed pods in early summer follow the flowers. Excellent for the back of perennial borders.

Baptisia

Pink Lemonade False Indigo
Sun to Part Shade 3-4' tall

A bicolor flowering false indigo, with soft yellow flowers that age to dusky raspberry purple, with both colors appearing on the stem at the same time. Charcoal stems. Forms a full bushy habit.

Baptisia

Solar Flare False Indigo
Sun to Part Shade 3-4' tall

Unique flowers open lemon-yellow and gradually darken to orange as the flowers age down the stem. Vigorous grower with attractive blue-green foliage.

Bergenia

Bergenia, Pigsqueak

Part Shade to Shade 18" tall Blooms spring

Light rose-pink flowers are held high above, round, glossy evergreen leaves that turn bronze in winter. Adaptable to a wide variety of soils.

Bletilla

Hardy Orchid

Part Sun to Shade 8-12" tall

Forms low clumps of slender arching foliage, and clusters of deep pink orchid flowers. Blooms in late spring to early summer. Prefers a cool woodland or shady rock garden with well-drained soil.

Brunnera

Alexander's Great Brunnera

Part Sun to Shade 15-18" tall

A giant version of Brunnera. Forms wide clumps of fuzzy king sized silver veined leaves with green margins. Sprays of sky blue flowers bloom in late spring

Brunnera

Sea Heart Brunnera

Part Sun to Shade 12-14" tall

An improved Brunnera with large heart-shaped leaves with pronounced variegation. Foliage has good substance. Panicles of sky-blue flowers bloom in early spring.

Buddleia

Black Knight Butterfly Bush

Sun to Part Shade 4-6' tall

Blooms Summer-Fall. Vigorous multi-stem plant with large dark-purple flowers. Grey green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Buddleia

Buzz Midnight Butterfly Bush

Sun to Part Shade 3-5' tall Blooms summer and fall

Deep purplish-blue flowers w/ grey-green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Buddleia

Buzz Sky Blue Butterfly Bush

Sun to Part Sun 3-5' tall Blooms July thru Sept

Blue cascading flower. Attracts Butterflies, Hummingbirds, and is Bee friendly. Prune back to live wood in Spring.

Buddleia

Buzz Velvet Butterfly Bush

Sun to Part Sun 3-4' tall Blooms summer and fall

Fragrant reddish-purple flower spikes. Prune back to live wood in Spring. Attracts Hummingbirds, Butterflies, and Bee friendly.

Buddleia

Honeycomb Butterfly Bush

Sun to Part Shade 4-6' tall

Blooms Summer-Fall. Large fragrant yellow flowers with deep orange eyes. Grey-green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Buddleia

Magenta Improved Butterfly Bush

Sun 2-3' tall

A compact plant that flowers early and produces large tapering spikes of dense magenta flowers. The plant blooms from late spring thru fall. Flowers are butterfly magnets. Great for patio containers.

Buddleia

Magenta Munchkin Butterfly Bush

Sun 30-36" tall

Large (7-8 inch) fuchsia-red flowers have lighter centers on each individual flower that look like eyes from afar. This variety will produce tons of flower panicles when in bloom. Low rounded shape.

Buddleia

Midnight Butterfly Bush

Sun 2-3' tall

A compact, early flowering plant that forms large tapering spikes of dense, velvety midnight-purple flowers. Blooms from late spring till fall. Attracts butterflies. Great for patio containers.

Buddleia

Pugster Amethyst Butterfly Bush

Sun 18-24" tall

A Dwarf Butterfly Bush with large, fragrant, clear purple flowers held on thick sturdy stems. Removing old flowers will encourage reflowering.

Buddleia

Royal Red Butterfly Bush

Sun to Part Shade 4-6' tall

Blooms Summer-Fall. Vigorous multi-stem plant with large dark-red flowers. Grey green foliage. Growth is slow to emerge in the spring. In spring trim back to 6-10". Easy to grow with little care.

Buddleia

Wisteria Lane Butterfly Bush

Sun 20-24" tall

This variety gets its name from the cascading lavender flowers that look similar to a Wisteria vine. Blooms start in summer and continues through fall. Great for attracting butterflies and hummingbird

Campanula

Blue Clips Bellflower

Sun to Part Shade 8" tall Blooms summer to frost

Produces a dense rounded mass of triangular dark green leaves covered in delightful upturned open bell shaped flowers. Great for edging beds or for containers and window boxes.

Campanula

Genti White Bellflower

Sun to Part Shade 14-19" tall Blooms May thru July

Beautiful, long-flowering. Very winter-hardy. White flower.

Campanula

Peach Leaved Bellflower

Sun to Part Shade 30-36" tall Blooms summer

Mix of blue and white large bell-shaped flowers borne on slender, almost leafless spikes in late Spring and Summer. Basal rosette of glossy green leaves. Good as a cut flower and border plant.

Caryopteris

Grand Bleu Bluebeard

Sun to Part Shade 30" tall

Blooms Summer To Frost. Compact bushy cultivar with extended flowering habit. Dark green glossy foliage contrasts nicely with deep blue flowers. Cut back every year for better performance.

Caryopteris

Worcester Gold Bluebeard

Sun to Part Shade 2' tall

Blooms Summer To Frost. Narrow, soft yellow foliage turns lime green in late summer. Small, pale blue flowers cover this low mounded plant. Cut back every year for better performance.

Catananche

Blue Cupid's Dart
Sun 21-24" tall Blooms summer to frost
Medium-dark blue flowers with darker blue centers. A most useful cut flower for the table or for drying with tall wiry stems that are held up above low growing silver-cast woolly foliage.

Centranthus

Red Valerian
Sun to Part Sun 2-3' tall Blooms summer to frost
Fragrant, round clusters of small bright carmine-red flowers appear atop the plant over a long season and are complimented by the fleshy, blue-green leaves. Performs in poor, dry soils.

Cerastium

Snow-in-Summer
Sun 6" tall Blooms spring and early summer
This ground cover is highly valued for its woolly-gray foliage. A good specimen for rock gardens or edging. Crisp white flowers have a luminous quality. Moderate Foot Traffic

Ceratostigma

Plumbago
Sun to Part Sun 8" tall Blooms summer and fall
Vivid dark blue flowers. Handsome green foliage takes on a reddish hue in fall. Breaks dormancy late. Trouble free groundcover. Very hardy when established by mid-summer.

Clematis

Sapphire Indigo Clematis
Sun to Part Shade 30-36" tall
A low mounding shrub type Clematis that needs no support, can also be used as a groundcover that will crawl around existing plants. Prolific 4" sapphire-blue flowers appear from summer through fall.

Convallaria

Lily of the Valley
Shade 6-8" tall
Blooms late spring. Fragrant white, bell-shaped flowers followed by tiny, orange berries. Stiffly erect parallel-veined foliage. Excellent groundcover for shade. Great companion plant for English Ivy.

Coreopsis

Crème Brulee Coreopsis
Sun 16-20" tall
Blooms Summer. Amazing hybrid that produces large, deep yellow flowers all summer long. Buds are continuously set all along the stem. Bright green, lacy, mildew resistant foliage accents the flowers.

Coreopsis

Early Sunrise Coreopsis
Sun 24" tall
Blooms Summer. Brilliant golden-yellow semi-double flowers. Neat narrow leaves on compact plants. Very free-flowering throughout the summer. Remove old flowers for appearance and continued flowering.

Coreopsis

Hot Paprika Coreopsis
Sun 15-18" tall
Beautiful deep red flowers. Bright green threadleaf foliage forms a compact, rounded, and uniform mound.

Coreopsis

Jethro Tull Coreopsis
Sun 15-18" tall
A very floriferous Coreopsis produces golden-yellow flowers with consistently fluted petals, atop a compact mound of foliage.

Coreopsis

Moonbeam Coreopsis
Sun 12-15" tall Blooms summer
Profusion of creamy yellow flowers on a refined, airy form makes a statement in borders. Slow to appear in spring.

Coreopsis

Red Elf Coreopsis
Sun 8-12" tall
Deep, burgandy-red, sterile blossoms are produced atop a compact clump of disease-resistant, medium green foliage.

Coreopsis

Rosea Coreopsis
Sun 12-18" tall Blooms summer and fall
Produces small pink flowers with yellow centers. It generally blooms all summer and like most Coreopsis, it is heat and drought tolerant. Slow to appear in spring.

Coreopsis

Satin & Lace Berry Chiffon Coreopsis
Sun 12-15" tall
Abundant, sterile white flowers with raspberry-red centers. Heat and cold tolerant. Blooms mid summer to early fall.

Coreopsis

Sienna Sunset Coreopsis
Sun 15-20" tall
Blooms Summer. A sport of Crème Brulee with terra cotta-colored flowers that lighten to orange with age. Delicate threadleaf foliage with exceptional long bloom.

Coreopsis

Uptick Gold and Bronze Coreopsis
Sun 12-14" tall
Large 3" gold flowers with bronze center, forms a compact tidy mound perfect for borders and rock gardens, foliage is mildew resistant.

Coreopsis

Uptick Yellow and Red Coreopsis
Sun 12-14" tall
Large yellow flowers with a dark red center, forms a compact tidy mound perfect for borders and rock gardens.

Coreopsis

Zagreb Threadleaf Coreopsis
Sun 15" tall
Blooms Early Summer. Prolific bloomer on a small, rounded form. Bright, golden flowers make a statement in a perennial bed. Well-suited for containers. Performs well in hot, dry conditions.

Delphinium

Blue Butterfly Delphinium
Sun to Part Sun 12-15" tall Blooms summer and fall
A compact grower, its rich cobalt blue flower spikes are continuous through the summer months, and not toppled by blustery summer winds.

Delphinium

Magic Fountains Delphinium
Sun to Part Sun 36" tall Blooms summer and fall
Flowers are beautiful shades of blue mixed with white. Dense rounded deep green foliage. Requires no staking; good for cutting. Remove old flowers to promote flowering.

Dianthus

Bath's Pink Dianthus

Sun 6-8" tall Blooms spring

Green-gray foliage is accented by fragrant pink flowers with a deeper rose center and fringed petals. Re-blooms if promptly sheared after spring flush. Valued rock garden plant. Prairie Bloom

Dianthus

Firewitch Dianthus

Sun 7-8" tall

Blooms Early Summer-Fall. Produces shocking magenta-pink blossoms over low, silvery-blue mats of evergreen foliage. Highly praised for its spicy clove-scented flowers.

Dianthus

Flash Dianthus

Sun 6" tall Blooms spring

Bright ruby red masses of color on this spreading perennial. A low growing, clump forming plant bears dense grass-like leaves. Valued as edging and masses in perennial borders.

Dianthus

Georgia Peach Pie Dianthus

Sun to Part Sun 10-12" tall Blooms spring

Pale pink blooms w/vibrant coral center, fragrant. Blooms spring but may set bloom again in fall.

Dianthus

Pinball Wizard Dianthus

Sun to Part Sun 10-12" tall

Like a shot of pink lightning, this Dianthus explodes with flashes of pink & white stripes. Masses of double spicy scented flowers are carried on sturdy stems of blue-silver foliage. Long bloom time.

Dianthus

Rockin Red Dianthus

Sun to Part Shade 16-20" tall

Fragrant and long-lasting, vibrant red flowers are 3" wide and have a lacy edge, they occur in spring and then again in fall, upright growth habit.

Dicentra

Gold Heart Bleeding Heart

Part Sun to Shade 18-24" tall

A bright twist on a classic perennial. Radiant yellow foliage creates the perfect backdrop for arching sprays of large pink and white heart-shaped blossoms.

Dicentra

King of Hearts Bleeding Heart

Part Sun to Shade 8-10" tall

A fern-leafed Bleeding Heart with lovely blue-gray foliage that will continuously produce large rose flowers through the summer and into the fall.

Dicentra

Valentine Bleeding Heart

Part Sun to Part Shade 20-28" tall

An old-fashioned Bleeding Heart that's really red. Vigorous plants quickly form dense clumps of plum-green foliage on dark red stems, with dangling red heart shaped blooms in spring.

Digitalis

Camelot Foxglove

Sun to Part Sun 40" tall Blooms summer

A vigorous plant with large flower spikes of cream, lavender, rose and white on mounds of dark green foliage. Essential for the lightly shaded border, or in woodlands.

Dryopteris

Brilliance Autumn Fern

Shade 24" tall

Copper spring fronds turn green of summer, then return to a russet hue for autumn. Mounded growth habit. Deer resistant, drought and heat tolerant.

Dryopteris

Male Fern

Part Shade 36" tall

Long, leathery emerald-green fronds are upright and stately. Retains its foliage even in cold weather. Prefers a cool moist place with acid soil. Use for mass planting.

Echinacea

Cheyenne Spirit Coneflower

Sun to Part Sun 20-24" tall Blooms summer and fall

Mix of red, pink, yellow, orange, purple, & white flowers on bushy upright growth habit. Drought tolerant, attracts bees and butterflies. Prairie Bloom

Echinacea

Firebird Coneflower

Sun to Part Shade 15-18" tall

A compact coneflower with bright red reflexed petals. This charming plant has a wonderful habit and will be a great addition to any garden.

Echinacea

Hot Papaya Coneflower

Sun to Part Shade 32-36" tall

Robust grower with deep-green foliage and sturdy maroon stems. Long bright orange petals develop and droop as the double flower matures.

Echinacea

Orange Fascinator Coneflower

Sun to Part Shade 16-18" tall

Stunning dark orange and yellow fully doubled flowers with large orange cones. Flowers appear summer through fall, upright and clumping habit.

Echinacea

Parrot Coneflower

Sun to Part Shade 18-24" tall

A compact coneflower with bicolor yellow and red blooms.

Echinacea

PowWow Wild Berry Coneflower

Sun to Part Sun 16-24" tall Blooms summer and fall

Unique intense rose flowers w/dark rose center. Excellent summer and fall cut flower. Outstanding for attracting butterflies. Prairie Bloom

Echinacea

Purple Emperor Coneflower

Sun to Part Shade 15-18" tall

Compact plant with bright magenta-purple flowers and well-branched sturdy stems that provide a canopy of color. Very floriferous.

Echinacea

Rainbow Marcella Coneflower

Sun to Part Shade 15-18" tall

A beautiful addition to your coneflower selection. Tangerine-orange flowers open in mid-summer and mature to stunning raspberry pink. Compact, free-branching plants with sturdy stems.

Echinacea

Ruby Star Coneflower
Sun to Part Shade 30-36" tall

Improved purple coneflower with larger flowers and more intense carmine-red color, horizontal petals, sturdy stems. Blooms for an extended period in summer.

Echinacea

Sensation Pink Coneflower
Sun to Part Shade 16-18" tall

Striking 3" magenta-pink coneflowers, mature to lavender-pink on dark sturdy stems, compact green foliage. Blooms mid-summer to early fall.

Echinacea

Sweet Chili Coneflower
Sun to Part Shade 18-24" tall

A short version of Hot Papaya with large dark raspberry-red flowers and huge dark red cones, dark green foliage with strong sturdy stems, very floriferous.

Echinacea

White Swan Coneflower
Sun to Part Sun Up to 4' tall

The large fragrant white flowers bloom from July to October and it's a major attractor to butterflies and bees. Deer resistant. A must for any perennial garden.

Echinacea

Yellow Rainbow Marcella Coneflower
Sun to Part Shade 15-18" tall

Stunning bicolor yellow and pink flowers with a red cone, compact and free branching plants with sturdy stems. Blooms mid-summer to fall.

Echium

Red Feathers
Sun to Part Shade 10-16" tall

Forms low growing mounds of narrow dark green feathery flower spikes of russet-red bloom in spring, exceptionally long bloom time, will rebloom if cut back. Drought tolerant will grow in poor soil.

Eryngium

Glitter Series Sea Holly
Sun 26-32" tall Blooms spring and summer

Dense spikes of white & blue flowers shaped like small pincushions. Tall stems have dark green leaves. Heat tolerant & easy care

Eupatorium

Little Joe Pye Weed
Sun to Part Sun 36-48" tall

Blooms Late Summer-Fall. Compact plant with dark purple stems and dark green leaves. Smothered with huge clusters of lavender-purple flowers that are fragrant and attract butterflies.

Euphorbia

Ascot Rainbow Spurge
Sun 16-20" tall

This Euphorbia is colorful with unusual bracts that last for months. These bracts are chartreuse, red and green in color and the foliage is just as vibrant.

Euphorbia

Bonfire Cushion Spurge
Sun to Part Shade 18" tall

Blooms Spring. Phenomenal color! Deep purple, red, and orange leaves with a touch of chartreuse are set ablaze with crackling sulphur-yellow bracts in spring. Forms a rounded mound.

Gaillardia

Arizona Apricot Gaillardia
Sun 10-12" tall

Compact and uniform with 3" apricot flowers with bright yellow edges, pronounced deep apricot center, very free flowering.

Gaillardia

Arizona Sun Gaillardia
Sun 14-18" tall

Blooms Summer-Fall. Dwarf plant with daisy-like flowers with colors of an Indian blanket, bright maroon-red with gold borders. Large blooms cover the top of this plant all season long.

Gaillardia

Sunset Celebration Gaillardia
Sun 14-16" tall

Sunset Celebration has bright red petals that surround a yellow-red center, plants have a compact mounding habit and are drought tolerant once established, ideal for containers, beds and borders.

Gaillardia

Sunset Snappy Gaillardia
Sun 12-14" tall

Dwarf compact plants of reddish-pink flowers with creamy-yellow tips. The plant has a long bloom time and colorfast flowers.

Gaura

Dark Pink Gaura
Sun 12-18" tall Blooms summer

Fragrant, dark-pink flowers on sturdy stems. Very drought and heat tolerant. A long blooming perennial if spent blooms are sheared.

Geranium

Elke Geranium
Sun to Part Sun 8-10" tall

Large 2" cup shaped blooms of neon pink with a white edge will appear for weeks in the summer, foliage turns red in fall. An unfussy variety that is easy to grow and drought tolerant.

Geranium

Perfect Storm Hardy Geranium
Sun to Part Shade 9-12" tall

A storm of small magenta-pink blossoms with a black center and veins are produced on low spreading mounds of velvety gray-green foliage. Summer blooms.

Geum

Pretticoats Peach Geum
Sun to Part Sun 8-10" tall

A reblooming Geum with profuse semi-double peach and yellow flowers produced on dark red stems. Green foliage is compact and clumping. Works well in containers.

Geum

Totally Tangerine Geum
Sun to Part Shade 24-30" tall

A sterile selection that will bloom from spring through the heat of summer. Deep green fuzzy foliage forms a compact mound.

Helenium

Sahin's Helenium
Sun 3' tall

Blooms Late Summer-Fall. One of the best native perennials for late season color. Deep red flowers streaked with orange and yellow with a brown cone appear over several months. Great for cut flowers.

Heliopsis

Burning Hearts Heliopsis

Sun 26-30" tall

Dark purple stems and leaves makes Burning Hearts a dramatic plant. It will produce dozens of giant daisy-like golden flowers with red centers from summer into fall.

Heliopsis

Summer Sun Heliopsis

Sun 3-4' tall Blooms late summer

Beautiful, carefree perennial with semi-double, 3" wide, bright gold flowers all summer long. Strong stems make them great for cutting. Very heat tolerant plants.

Helleborus

Confetti Cake Helleborus

Part Shade to Shade 18-24" tall

A Lenten Rose with 2-3" double white flowers with burgundy speckling. This plant will bloom early, before most plants have started to grow, greatly expanding your season of color in the garden.

Helleborus

Paris in Pink Helleborus

Part Sun to Shade 12-18" tall

A Lenten Rose with 3-4" light to mid-pink single flowers. Very early blooming to extend the season of color in your garden.

Helleborus

Romantic Getaway Helleborus

Part Sun to Shade 16-20" tall

A Lenten Rose with 3" single white flowers with a dramatic red patterned center. Very early blooming to extend the season of color in your garden.

Hemerocallis

Adorable Tiger Daylily

Sun to Part Shade 24-26" tall

Displaying clear, vibrant colors, this daylily produces golden orange flowers with a very prominent, sienna red eye. The eye covers half of the petals and there is an extra wide, red picotee edge too.

Hemerocallis

Apricot Sparkles Daylily

Sun to Part Shade 15" tall

Repeat Bloomer. Deep apricot petals with a ruffled edge. A heavy bloomer that starts very early and reblooms until frost.

Hemerocallis

Bela Lugosi Daylily

Sun to Part Shade 30-34" tall

Widely regarded as one of the best purple daylilies on the market. Outstanding saturated true purple blooms with a lime green throat. A strong grower, well branched, and heavily budded.

Hemerocallis

Blackthorne Daylily

Sun to Part Sun 24-26" tall

Very light creamy yellow blossoms with a hint of peach. Prominent, wine purple eye and matching edge half way up the ruffled petals.

Hemerocallis

Collier Daylily

Sun to Part Sun 26-28" tall

A blend of pink, gold, cream and yellow, with yellow concentrated in the center of the petals. Attractive ruffling.

Hemerocallis

Desert Flame Daylily

Sun to Part Sun 24-36" tall

Large, flaming red-orange blossoms. Beautifully ruffled flowers with a lime green throat produced on very strong well-budded and branched scapes.

Hemerocallis

El Desperado Daylily

Sun to Part Shade 25-28" tall

In late summer this daylily produces masses of large light mustard to buttery yellow flowers with a striking wine-purple eye and matching picotee. A stunning plant in the landscape.

Hemerocallis

Fooled Me Daylily

Sun to Part Shade 20-24" tall

This popular award-winning variety has large golden yellow flowers with a striking deep red eye and matching picotee, pie crust edge.

Hemerocallis

Garden Show Daylily

Sun to Part Sun 22-24" tall

Produces loads of large lavender-mauve flowers with a prominent citron yellow throat. Highly fragrant. Compact, proportional habit with well-branched scapes.

Hemerocallis

Happy Returns Daylily

Sun to Part Shade 18-24" tall

Blooms Summer. Canary yellow flowers. Repeat bloomer. Grass-like foliage. Good for massing or as a groundcover. Very low maintenance.

Hemerocallis

Janice Brown Daylily

Sun to Part Shade 18-24" tall

A special daylily with gorgeous blooms that are a blend of light pink, with a rose-pink eye zone. Very well-branched with lots of blooms and good rebloom.

Hemerocallis

Marque Moon Daylily

Sun to Part Sun 22-24" tall

This daylily sets the new standard for white daylilies. Extravagantly ruffled, fragrant blossoms with radiating yellow throat and matching edge. Heavy bloomer.

Hemerocallis

Mary Todd Daylily

Sun to Part Shade 24-26" tall

An award winning Daylily that is excellent for the landscape with masses of bright yellow blooms that will make a splash of color in your garden.

Hemerocallis

Night Embers Daylily

Sun to Part Shade 26-30" tall

An early-mid season daylily with large 5" double flowers, deep velvety red petals have darker accents and a thin white line along the ruffled edge. An excellent rebloomer.

Hemerocallis

Pardon Me Daylily

Sun to Part Shade 18" tall

Blooms Summer. A popular, award-winning daylily with bright red fragrant blossoms with yellow throats. Repeat bloomer. Useful in foreground plantings or where a small, colorful plant is needed.

Hemerocallis

Raspberry Eclipse Daylily
Sun to Part Shade 26-30" tall

5" showy flowers are raspberry purple with a lavender-purple band. Heavily ruffled, frilly edges highlight the lemon yellow picotee edge.

Hemerocallis

Red Hot Returns Daylily
Sun to Part Shade 24-28" tall

A continuous blooming Daylily with cherry red blossoms, a bright yellow halo, apple green throat and ruffled petals. Vigorous grower, produces several scapes per fan. Blooms all summer into fall.

Hemerocallis

Siloam Double Classic Daylily
Sun to Part Sun 24-26" tall

This beautifully fragrant, double daylily produces soft peachy-pink blossoms with a yellow halo and green throat.

Hemerocallis

Stella de Oro Daylily
Sun to Part Shade 18-24" tall

Blooms Summer. Sensational award-winning selection that blooms with heavy clusters of yellow blooms. Reblooms freely into early fall. This easy to care for plant forms neat, compact clumps.

Hemerocallis

Stella Supreme Daylily
Sun to Part Shade 12-15" tall

Similar to Stella de Oro in height and bloom time but with Lemon Yellow flowers.

Heuchera

Berry Smoothie Coral Bell
Part Sun to Shade 12-16" tall

A villosa hybrid with better cold tolerance, forms large clumps of bright rosy-pink mounds that mature to a purple rose by late summer. Vigorous grower that maintains summer color, white flowers.

Heuchera

Black Taffeta Coral Bell
Part Sun to Shade 10-12" tall

The glossy black leaves of this Coral Bell are silky and smooth like the fabric from an elegant gown. Large dark ruffled leaves make a bold statement in the garden. White flowers in late spring.

Heuchera

Champagne Coral Bell
Part Sun to Shade 10-15" tall

This is a stunning plant with medium-size leaves changing from peach to gold to champagne-gold. Peach flowers are held on maroon stems in late spring.

Heuchera

Cherry Cola Coral Bell
Part Sun to Shade 16-18" tall

Grown for its colorful foliage and flowers. Forms low mounds of red foliage. Tall stems of complimentary cherry-red flowers bloom early summer. Compact and very floriferous.

Heuchera

Fire Alarm Coral Bell
Part Sun to Shade 9-12" tall

Villosa hybrid, bright red foliage in spring and fall with summer foliage more brick-red. Forms medium clumps with thick leathery leaves. White flowers bloom in summer.

Heuchera

Forever Purple Coral Bell
Part Sun to Shade 10-12" tall

A real knockout Coral Bell with vibrant purple glossy foliage and fluted edges. Very short spikes of purple-pink flowers in summer which brings you four seasons of purple.

Heuchera

Georgia Peach Coral Bell
Part Sun to Shade 14" tall

Blooms Early Summer. Spectacular glowing peach colored leaves with a light silver overlay. Forms a lush mound topped with creamy white flowers.

Heuchera

Mega Caramel Coral Bell
Shade to Part Sun 12-16" tall

A large variety of Coral Bell. Caramel colored leaves have pink-purple undersides. Large cream flowers display on arching stems. Blooms midsummer.

Heuchera

Palace Purple Coral Bell
Part Shade to Shade 8-10" tall Blooms spring

Brilliantly colored purple-red foliage creates a spectacular background for the sprays of tiny white flowers. Great for adding color and vivid contrast with green foliated plants.

Heuchera

Paris Coral Bell
Part Sun to Shade 10-15" tall

The best re-blooming Coral Bell to date. Deep-rose colored flowers atop blue-green foliage with silver overlay. Reblooms in late summer.

Heuchera

Red Lightning Coral Bell
Part Sun to Shade 8-10" tall

Electrifying dark red veins spark over huge gold leaves, color holds well throughout the season. White flowers in summer.

Heuchera

Ruby Bells Coral Bell
Part Shade to Shade 16" tall Blooms summer

Intense red flowers rise over evergreen foliage. Compact & well-branched. Ideal for woodland gardens or shady foundation bed.

Heucherella

Pink Revolution Heucherella
Part Sun to Shade 14-18" tall

Super Bloomer! This Heucherella produces an extreme amount of bubblegum pink flowers in late spring that will cover the foliage. After flowering you'll enjoy bright green leaves with burgundy veins.

Heucherella

Sweet Tea Heucherella
Part Sun to Shade 16-18" tall

A hybrid plant forming large clumps of large cinnamon-orange leaves with darker bronze veins. Bright spring foliage darkens in summer and lightens again in the fall. White flowers in spring.

Hibiscus

Kopper King Hibiscus
Sun 3-4' tall

Gigantic flowers up to 10" wide are light pink with a red eye that bleeds out through the veins. The petals are slightly ruffled and overlap. Maple-like, coppery-red leaves.

Hibiscus

Luna Pink Swirl Hibiscus

Sun 24-36" tall Blooms summer and fall

Blooms white w/pink markings and red center. Large light green leaves. Extremely showy in flower. Great as a specimen plant or for the perennial border.

Hibiscus

Luna Red Hibiscus

Sun 24-36" tall Blooms summer and fall

Huge red flowers. Large light green leaves. Extremely showy in flower. Great as a specimen plant or for the perennial border.

Hibiscus

Luna White Hibiscus

Sun 24-36" tall Blooms summer and fall

Large white flowers with red centers. Large light green leaves. Extremely showy in flower. Great as a specimen plant or for the perennial border.

Hibiscus

Midnight Marvel Hibiscus

Sun to Part Shade 3-4' tall

A stunning plant with deep wine-purple, maple-like foliage and 8-9 in. scarlet red flowers in summer. A very long blooming selection.

Hibiscus

Mocha Moon Hibiscus

Sun to Part Shade 3-4' tall

A great combination of dark foliage and white flowers. Large 7-8 in. slightly cupped white flowers have a scarlet eye. Flowers are produced from top to bottom of the plant. Deep bronze-green foliage.

Hibiscus

Starry Starry Night Hibiscus

Sun 3-4' tall

A plant with near black, broad, maple-like leaves. Interesting 7-8 in. pale pink flowers in summer that have darker pink speckling and veining. Slow to break dormancy in spring.

Hosta

Afterglow Hosta

Shade 24-30" tall

A wide-margined hosta with large green leaves and striking wide yellow margins. Forms an impressive upright mound in the landscape. Pale lavender flowers.

Hosta

Albo Marginata Hosta

Shade 15-18" tall

One of the first hostas to come up in the spring. Medium green leaves have wavy, white margins. Pale lavender flowers in mid-summer.

Hosta

Aurea Marginata Hosta

Shade 18-24" tall

Dark green leaves with a hint of blue and deep golden yellow margins that hold their color all season. The broadly ovate leaves are slightly puckered. Lavender flowers appear on tall scapes.

Hosta

Blue Giant Hosta

Shade Foliage 24-36" tall

Blooms Summer. Large heavily textured blue-green leaves, blooms are nearly white. Prefers average, well-drained soil which is rich in organic matter.

Hosta

Blue Ivory Hosta

Shade 16-20" tall

A hosta with wide, creamy white margins and a blue center in spring. Margins brighten to white and may develop a green blush, while the center turns blue-green in summer. Lavender flowers.

Hosta

Blue Mouse Ears Hosta

Shade 6-8" tall

Adorable small hosta with thick, heart-shaped, blue-green to gray-green leaves. Forms a perfectly symmetrical mound. Clusters of lavender, bell shaped flowers emerge from balloon-like buds.

Hosta

Brother Stefan Hosta

Shade 18-20" tall

Forms a large clump of thick, heavily corrugated, puckered leaves. Spring leaves are chartreuse with a blue margin. Mature leaves are gold with a green margin. Near white flowers.

Hosta

Captain Kirk Hosta

Shade 20-25" tall

Broad leaves of heavy substance with wide dark-green margins and bright gold centers. Pale lavender flowers.

Hosta

Cathedral Windows Hosta

Shade 28-30" tall

A fast growing Hosta forming a large clump of rounded, bright gold leaves with very wide, dark green margins. Leaves become domed as they age. Large fragrant, near-white flowers.

Hosta

Cool as a Cucumber Hosta

Shade 24-28" tall

This vigorous Hosta grows quickly to form a showy clump of long, tapered leaves with bright green margins and clear white centers. Notably upright in youth, maturing into a gracefully arching mound.

Hosta

Curly Fries Hosta

Shade 6-8" tall

This popular hosta forms a seemingly electrified clump of extremely rippled, narrow leaves. Mature plants have red speckled petioles. Chartreuse foliage and lavender flowers.

Hosta

Dancing Queen Hosta

Shade Foliage 16-18" tall

An exceptionally unique yellow hosta that emerges bright yellow and remains yellow all season. Large leaves display a prominent pie crust edge. Pale lavender flowers.

Hosta

Empress Wu Hosta

Shade 3-4' tall

The largest known hosta in commerce. Makes a tremendous focal point. Huge, thick, dark green, deeply veined leaves form a massive upright clump.

Hosta

Fire and Ice Hosta

Shade 10-14" tall

Heart shaped leaves have wide pure white centers and dark green margins. Lavender flowers.

Hosta

Ginko Craig Hosta
Shade Foliage 6-12" tall

Blooms Summer. Dark purple Flowers. Short lance-like green leaves with sharp white border. Excellent for edging shade gardens. Prefers average, well-drained soil which is rich in organic matter.

Hosta

Golden Tiara Hosta
Shade to Part Shade Foliage 8-12" tall

Blooms Late Summer. Quite dwarf for a Hosta. The green heart-shaped leaves exhibit a brilliant golden margin. Showy summer blooms of deep lavender on 24" spikes.

Hosta

Hans Hosta
Shade 19-21" tall

Blue-green, puckered, rounded leaves with a wide, feathery white center and green jetting between center and margin. Pale lavender flowers.

Hosta

June Hosta
Shade to Part Shade Foliage 15" tall

Blooms Summer. Blue-green margins and chartreuse centers in spring. Centers turn gold in summer. Pale lavender flowers. Prefers average, well-drained soils rich in organic matter.

Hosta

Loyalist Hosta
Shade 16-18" tall

One of the best white centered hostas. Leaves have deep green margins and nearly pure white centers. Pale lavender flowers.

Hosta

Mini Skirt Hosta
Shade 4-6" tall

This flirty mini hosta has very wavy, thick, blue-green leaves with creamy yellow margins in spring. Center turns green and edge lightens to creamy white in summer. Pale lavender flowers.

Hosta

Old Fashioned Hosta
Shade Foliage 15-18" tall

Blooms Summer. Wavy leaves with white center and green edges. Lilac colored flowers in July. Prefers average, well-drained soil which is rich in organic matter.

Hosta

Patriot Hosta
Shade to Part Sun Foliage 20" tall

Blooms Summer. Bold, dark green foliage displaying a gleaming white, 1" wide margin to the leaves. Lavender flowers. Brightens any shady border. Somewhat sun tolerant.

Hosta

Rainbows End Hosta
Shade 10-12" tall

This incredible variegated hosta has shiny, bright yellow leaves of good substance and dark green margins that jet into the center which brighten to creamy white in summer. Dark lavender flowers.

Hosta

Rhino Hide Hosta
Shade 16-20" tall

This hosta has very thick leaves and is the ultimate in slug resistance. Cupped and puckered leaves have wide blue margins and narrow light-green centers that brighten to yellow. White flowers.

Hosta

Royal Wedding Hosta
Shade 10-12" tall

Forms an upright mound of thick shiny leaves. Sweetly perfumed large white flowers.

Hosta

Sagae Hosta
Shade 26-28" tall

Large, wavy, frosted grey-green leaves with yellow to creamy white margins. Lavender flowers. Makes a lovely specimen in the garden.

Hosta

Stained Glass Hosta
Shade to Part Shade Foliage 15" tall

Blooms Summer. Huge 10.5" long, brilliant gold leaves with wide dark-green margins. Large pale lavender flowers on 30" stalks. Prefers average well-drained soils rich in organic matter.

Hosta

Sum & Substance Hosta
Shade Foliage 20-24" tall

Blooms Mid-Summer. Biggest and most popular hosta. Stiff leathery leaves in bright chartreuse fading to gold as the days grow long and warm. Flowers on 3' stalks with lavender bells.

Hosta

Sun Mouse Hosta
Shade 6" tall

A miniature Hosta with bright yellow leaves that will add a splash of color in a small niche in the garden.

Hypericum

Jacqueline Hypericum
Sun 20-25" tall

A heat loving Hypericum with beautiful summer foliage. The plant has clusters of small bright yellow flowers in mid-summer and yellow berries in fall that turn red as they mature. Cut back in spring.

Hypericum

Miracle Horizon Hypericum
Sun 28-32" tall Blooms late spring and summer
Yellow flowers give way to berries, attracting birds and other wildlife. Deer & rabbit resistant.

Hypericum

Miracle Pistache Hypericum
Sun 28-32" tall Blooms late spring and summer
Bright yellow flowers in summer turning to green berries that attract birds.

Iberis

Snow White Candy Tuft
Sun to Part Sun 6-10" tall Blooms spring

Dense clusters of white flowers. Shrub-like perennial with evergreen foliage. Good for front of border, rock garden and walls. May need winter protection.

Iris

Aureo Variegata Zebra Iris
Sun to Part Shade 20-24" tall

An Iris with attractive green and yellow striped foliage all season. Very fragrant lavender-blue flowers in the spring. Drought tolerant.

Iris

Blatant German Bearded Iris
Sun to Part Shade 32-36" tall

A mid season bloomer with beautiful bicolor flowers with bright yellow standards and purple-pink falls. Will rebloom.

Iris

Caesars Brother Siberian Iris
Sun to Part Shade 36" tall

Blooms Late Spring. Deep blue beardless flowers. Narrow upright foliage. Grows best in moist, acidic soil. Great for vertical effect in the landscape.

Iris

City Lights German Bearded Iris
Sun to Part Shade 32-35" tall

An Iris with deep violet-blue standards and falls with glowing white centers, A mid season bloomer that will rebloom.

Iris

Harvest of Memories German Bearded Iris
Sun to Part Shade 34-38" tall

A mid season bloomer with large slightly fragrant bright yellow flowers, will rebloom,

Iris

Innocent Star German Bearded Iris
Sun to Part Shade 24-36" tall

An unusual two-toned Iris with grape-purple flowers and creamy-yellow centers on the falls. A late bloomer with fragrant flowers that will rebloom.

Iris

Miss Apple Siberian Iris
Sun to Part Shade 24-30" tall

A siberian Iris with multi colored flowers with shades of violet, lavender, red, yellow and gold.early summer blooms are sweetly fragrant. Narrow upright foliage makes an excellent vertical effect

Iris

Ozark Rebounder German Bearded Iris
Sun 24-32" tall

A mid season Iris with dark purple almost black flowers, will rebloom

Kniphofia

Fire Dance Red Hot Poker
Sun 16-20" tall

Hardest Red Hot Poker and nicely compact, forms low clumps of narrow arching blue-green foliage, multiple stems of coral-red and yellow pokers arise from the base, drought tolerant,

Kniphofia

Flamenco Red Hot Poker
Sun to Part Sun 32" tall Blooms summer

Blossoms are composed of fiery red, vivid orange and soft-yellow flower spikes that draw swarms of hummingbirds. Tufts of strap leaves form broad clumps. Ideal for a tropical look in the garden.

Lagerstroemia

Cherry Mocha Crapemyrtle
Sun 24-30" tall

A very refined plant for the landscape. Woody, burgundy-colored stems bear semi-glossy burgundy foliage. Cherry red flowers open in summer from shiny red buds, contrasting nicely with the dark foliage

Lagerstroemia

Double Dynamite Crapemyrtle
Sun 6-8' tall

A Crapemyrtle with vivid cherry-red flowers and deep red-purple foliage. This disease resistant plant will bloom for an extended period in summer.

Lagerstroemia

Hopi Crapemyrtle
Sun 10' tall

Blooms Late Summer. A winter hardy, heavy bloomer with pink flowers and good disease resistance. Plant in full sun and prune to promote vigorous growth.

Lagerstroemia

Royalty Crapemyrtle
Sun 4' tall

Blooms Late Summer. A vigorous dwarf grower with brilliant purple blossoms. Plant in full sun and prune to promote vigorous growth.

Lagerstroemia

Ruby Red Crapemyrtle
Sun 10' tall Blooms summer

A vigorous grower with bright red blossoms. Plant in full sun and prune to promote vigorous growth.

Lagerstroemia

Spiced Plum Crapemyrtle
Sun 24-30" tall

Rosy red flower buds open to raspberry purple flowers. Dark red stems hold deep green leaves with heavy olive highlights, forming a compact, rounded habit as stellar as the flowers.

Lamium

Herman's Pride Lamium
Part Shade to Shade 8-12" tall

A ground cover with variegated foliage of silver and green. Light yellow flowers bloom in early summer. Tolerates harsh conditions of heavy shade, poor soils and drought.

Lavandula

Grosso Lavender
Sun 20-30" tall

Fragrant, plump, violet-blue flower spikes. Bloom a bit later than other varieties and may rebloom in fall. Especially good for cutting.

Lavandula

Lavance Deep Purple Lavender
Sun 10-12" tall Blooms summer

Spikes & flowers have deep color for contrast w/the gray-green foliage. Heat tolerant, attracts bees & butterflies, and resists deer and rabbits.

Lavandula

Phenomenal Lavender
Sun 24-30" tall

A new lavender that tolerates extremes without dying back. A strong grower in the landscape. Large hedge type plant that forms a broad mound of silvery green foliage and rich purple flower wands.

Lavandula

Rosea Lavender
Sun 12" tall Blooms summer

Aromatic grey-green foliage with lavender flowers appearing in July and August. Thrives in full sun and loose well-drained soil.

Leucanthemum

Becky Shasta Daisy
Sun 28-36" tall

Blooms Summer-Fall. White flowers stand on long lasting stems that make a superior cut flower. Short, deep shiny green foliage is resistant to heat, drought and humidity. Great for borders.

Leucanthemum

Ooh La LaGrande Shasta Daisy
Sun 10-12" tall Blooms summer

Compact, dark green leaves w/ pure white flowers, sturdy upright habit. Flowers first year. Remove old flowers to extend blooming period.

Leucanthemum

White Breeze Daisy
Sun 11" tall Blooms summer

Ultra compact, pure-white daisies w/prominent yellow eye, sturdy upright habit. Flowers first year.

Liatris

Blazing Star, Gayfeather
Sun 36" tall

Blooms Late Spring-Summer. Long, purple-colored spike flowers. Vertical leafy stems. Very drought resistant. Good for fresh cut flowers as well as dried flowers.

Liriope

Big Blue Liriope
Shade to Part Sun 9" tall Blooms summer

Popular tufted evergreen with arching, dark green, grass like foliage. Spikes of blue, hyacinth shaped flowers rise above the foliage in summer followed by black berries. A superb groundcover.

Liriope

Royal Purple Liriope
Shade to Part Sun 9" tall

Blooms Mid-Summer. Tufted evergreen with arching, dark green, grass- like foliage. Spikes of deep purple flowers rise above the foliage in summer followed by black berries. A great edging plant.

Liriope

Variegated Liriope
Part Sun to Part Shade 9" tall

Blooms Mid-Summer. Dark green leaves have yellow stripes that brighten and add contrast to any planting. In September, lilac flowers bloom on stems as tall as the leaves. A superb edging plant.

Lobelia

Fan Scarlet Cardinal Flower
Sun to Part Shade 24" tall

Blooms Late Summer. Compact bronze foliage with scarlet-red flowers. Vigorous base-branching habit. Use as a specimen plant or in mass.

Lobelia

Queen Victoria Cardinal Flower
Part Shade 3-4' tall Blooms late summer

Showy, dark red blossoms on dark green or reddish-bronze foliage spikes. Grows best with partial shade in moist organic soil. Use as a specimen plant or in mass.

Matteuccia

Ostrich Fern
Shade to Part Shade 3' tall

Large, graceful fronds resemble ostrich plumes. Vivid, bright green coloring turns to yellow in late fall. Excellent fern for woodland gardens and damp areas such as edging a pond.

Monarda

Balmy Rose Bee Balm
Sun to Part Shade 10-12" tall

A very compact and floriferous bee balm with rose colored flowers. The lance shaped dark green fragrant foliage is very mildew resistant.

Monarda

Cherry Pops Bee Balm
Sun to Part Shade 18-20" tall

A compact Bee Balm with dark-green mildew resistant foliage. Cherry-red flowers in summer.

Monarda

Jacob Cline Bee Balm
Sun to Part Sun 48" tall

Blooms Mid-Summer. Whorls of scarlet red tubular flowers blossom from June to September and blend perfectly with other prairie wildflowers and herbs. Mildew resistant, mint scented foliage.

Monarda

Monarda Mix Bee Balm
Sun to Part Sun 2-3' tall Blooms summer

Mix of scarlet, crimson, pink and red flowers. Strong mint scented foliage. Used for teas.

Monarda

Petite Delight Bee Balm
Sun to Part Sun 12" tall

Blooms Mid-Summer. Dark green foliage is mildew resistant and aromatic. Hardy plants produce large lavender-rose terminal flowers in early summer. Nectar source for bees, butterflies and hummingbirds.

Monarda

Rockin Raspberry Bee Balm
Sun to Part Shade 16-20" tall

A vigorous Bee Balm with dark greenish purple leaves. Has a deep raspberry purple bloom in mid-summer.

Nepeta

Junior Walker Catmint
Sun to Part Shade 12-15" tall

A dwarf catmint with sterile flowers. The plant forms attractive clumps of aromatic grey-green foliage and masses of lavender-blue flowers. Blooms early and continues to bloom all summer.

Nepeta

Kitten Around Catmint
Sun 12-14" tall

This small catmint forms a tight, round mound of aromatic foliage, Periwinkle blue flowers are produced over an extended period starting in early summer. A great addition to any perennial garden.

Nepeta

Walker's Low Catmint
Sun to Part Shade 18-24" tall

Blooms Summer-Fall. Blue flower spikes adorn the fragrant mounds of gray-green foliage. Excellent for groundcover or cascading off walls or container edges. Attracts hummingbirds and butterflies.

Oenothera

Missouri Primrose
Sun to Part Shade 9-12" tall

Canary yellow, mildly fragrant, 3-in. wide flowers. Dark green, lanceolate leaves. Following the blooms, unusual 2-3 in. long, 4-winged seed pods develop beautiful in arrangements.

Oenothera

Siskiyou Evening Primrose
Sun to Part Sun 10-12" tall Blooms May thru July
Dark veined, rose-pink flowers shade to white in the center. Makes a dense, weed-smothering mat. Compact spreading habit, tolerant of hot, dry conditions. Deer Resistant

Oenothera

Twilight Evening Primrose
Sun to Part Shade 10-12" tall
A compact spreading plant with large 2-3" pale pink flowers in summer. The foliage is a deep purple-bronze. Tolerant of hot, dry conditions.

Paeonia

Bartzella Peony
Sun to Part Shade 30-34" tall
Very large 6" lemon flowers are fragrant and can vary from fully double to semi-double. Forms a large bush with very strong stems and deeply cut foliage. Very floriferous.

Paeonia

Coral Charm Peony
Sun to Part Shade 28-36" tall
Deep coral buds open to huge bowl-shaped semi-double blooms of coral-peach with glowing yellow centers. Tall strong stems rarely need staking and make superb cut flowers.

Paeonia

Felix Crousse Peony
Sun to Part Shade 30-34" tall
A late blooming peony with superb double, carmine red flowers that are very fragrant. A good cut flower.

Paeonia

Festiva Maxima Peony
Sun to Part Shade 24-36" tall
Blooms Late Spring. Huge double white blooms on bold erect stems. Excellent background plant for spring bulbs and in perennial or shrub borders. Choice cut flowers.

Paeonia

High Noon Tree Peony
Sun to Part Shade 3-4' tall
A large woody shrub with large clear lemon-yellow flowers. A slow growing long lived plant that needs no support for the plant or blooms.

Paeonia

Karl Rosenfield Peony
Sun to Part Shade 30-34" tall
Brilliant fuchsia-red blooms are a double semi-rose type. They make wonderful mildly fragrant cut flowers. Blooms late spring.

Paeonia

Primevere Peony
Sun to Part Shade 24-28" tall
A Japanese type Peony with large pure white outer petals and yellow white center petals resembling a pompom. Very fragrant. Strong erect stems make this an excellent cut flower.

Paeonia

Sarah Bernhardt Peony
Sun to Part Shade 24-36" tall
Blooms Late Spring. Huge double pink blooms on bold erect stems. Excellent background plant for spring bulbs or in perennial and shrub borders. Choice cut flowers.

Paeonia

Shima Nishiki Tree Peony
Sun to Part Shade 3-4' tall
A large woody shrub with hugh showy white flowers with red flames in late spring. Plant does not need staking.

Papaver

Allegro Oriental Poppy
Sun 16" tall Blooms spring and early summer
Huge black-eyed, orange-red flowers. Robust clumps of coarse bristly haired leaves. Foliage goes dormant after bloom. Good cut flower, sear ends of stems.

Penstemon

Dakota Burgundy Penstemon
Sun to Part Shade 12-14" tall
Lovely lavender flowers will bloom in early summer, above glossy purple black leaves. A short compact plant that's tough and long lived.

Penstemon

Red Rocks Penstemon
Sun to Part Shade 15" tall
Blooms Summer. Attractive mounds of narrow green foliage, bright rose-colored flowers bloom all summer long, very heat and drought tolerant. Does not tolerate wet feet over winter.

Penstemon

Ruby Rock Candy Penstemon
Sun to Part Sun 8-12" tall Blooms late spring and summer
Compact variety w/ruby red flower spikes, attracts hummingbirds. Ideal for garden edge, along walkways, or containers.

Perovskia

Little Spire Russian Sage
Sun 25" tall
Blooms Late Summer-Fall. A wonderful shorter cultivar with lavender-blue flowers against silvery foliage. Selected for its short upright habit that prevents it from leaning in the landscape.

Perovskia

Peek-A-Blue Russian Sage
Sun 24-28" tall
Our shortest Russian Sage measuring just over 2' tall at maturity. Very lacy, finely dissected, silvery green leaves line the silvery stems topped with lavender blue flowers.

Perovskia

Russian Sage
Sun 3-5' tall
Blooms Late Summer-Fall. Shrub-like perennial produces airy spires of lavender-blue flowers that look elegant against silvery, aromatic foliage. Provides stunning backdrop in perennial borders.

Perovskia

Silvery Blue Russian Sage
Sun 18-20" tall
A Russian Sage with metallic silver stems and leaves. A showstopper for the garden. Plants are compact and maintain nice form, panicles of lavender-blue flowers bloom summer through early fall.

Phlox

Blue Moon Phlox
Part Shade to Shade 12" tall
Native woodland plant produciBg clusters of fragrant, blue flowers in spring.

Phlox

Creeping Phlox - Blue Emerald

Sun 4-6" tall Blooms spring

Blue flowers. Evergreen, needle-like foliage. Good groundcover or rock garden plant. Space 18-24" apart.

Phlox

Creeping Phlox - Candystripe

Sun 4-6" tall Blooms spring

Pink w/white edged flowers. Evergreen, needle-like foliage. Use as groundcover or in rock garden.

Phlox

Creeping Phlox - Emerald Pink

Sun 4-6" tall Blooms spring

Pink flowers, on evergreen, needle-like foliage. Good groundcover or rock garden plant. Space 18-24" apart.

Phlox

Tall Phlox - David

Sun to Part Shade 40" tall

Blooms Summer. Exceptionally large, showy, fragrant, white flower clusters on tall plants. A very good cut flower. 2002 Perennial Plant of the Year.

Phlox

Tall Phlox - Franz Schubert

Sun to Part Shade 3' tall

Blooms Summer. Showy, lilac blue flowers with a lighter edge and eye. Very fragrant. Make good cut flowers.

Phlox

Tall Phlox - Mini Star

Sun to Part Shade 12" tall

Blooms Summer-Fall. Dwarf variety, rose colored flowers with a darker red eye. Mildew resistant foliage. Early blooming.

Phlox

Tall Phlox - Nicky

Sun 30-36" tall

Blooms Late summer. A mildew resistant tall phlox with fragrant dark magenta purple flowers.

Phlox

Tall Phlox - Red Flame

Sun to Part Shade 12-16" tall

A compact upright phlox with large clusters of fragrant red flowers with deeper red eyes. Strong stems with excellent branching. Mildew resistant.

Phlox

Tall Phlox - Toot Sweet

Sun to Part Shade 18-24" tall

Bright, coral colored flowers on stout stems in summer. Clean, mildew resistant foliage.

Phlox

Tall Phlox - Younique Cerise

Sun to Part Shade 14-16" tall Blooms June and July

Bright-deep red flower, makes a beautiful color statement. Attracts butterflies and cut flower.

Phlox

Tall Phlox - Younique Old Blue

Sun to Part Shade 14-16" tall Blooms June and July

Large cluster of dusty blue flowers w/white center. A very good cut flower. Attracts butterflies and hummingbirds.

Phlox

Tall Phlox - Younique Orange

Sun 14-16" tall Blooms summer

Large orange-flowers on compact mounded plant. Remove old flowers for repeat flowering.

Physostegia

Autumn Carnival Obediant Plant

Sun to Part Sun 16-18" tall Bloom late summer

Spikes of lavender-pink flowers on an upright, bushy plant. Attracts butterflies and deer resistant.

Physostegia

Crystal Peak White Obedient Plant

Sun to Part Shade 14-16" tall

Compact and early blooming. Dark green uniform foliage with spires of pure white flowers.

Platycodon

Balloon Flower

Sun 8-10" tall Blooms summer

Showy blue, balloon-like flower buds burst open into bell-shaped flowers. Remove faded flowers to lengthen blooming season. Be patient in the Spring, as this plant is slow to emerge.

Platycodon

Pop Star Pink Balloon Flower

Sun to Part Shade 6-8" tall

A compact well branched plant with light pink balloon shaped buds that open into star shaped flowers. Blooms for a long period in summer

Polemonium

Bressingham Purple Jacob's Ladder

Part Sun to Shade 12-14" tall

Dwarf compact mounds of dark purple foliage in spring and fall, summer foliage may turn green depending upon light, clusters of lavender-blue flowers in late spring and early summer on sturdy stems

Polygonatum

Variegated Solomon's Seal

Part Sun to Shade 16-20" tall

A slow clumping woodland plant with single arching stems. Pendulous white flowers dangle under the leaves. Variegated leaves edged in creamy yellow turning white. Prefers moist woodland setting.

Primula

SuperNova Primrose

Shade to Part Shade 8" tall Blooms spring and early summer

A vibrant mix of blue, red, pink, yellow and white flowers. Compact, uniform plant can be used in front of borders and rock gardens.

Pulmonaria

Raspberry Splash Pulmonaria

Part Sun to Shade 10-12" tall

Narrow silver spotted foliage with an upright growth habit, profuse bloomer with clusters of dusky raspberry-coral flowers, mildew resistant, gorgeous foliage and flowers.

Pulmonaria

Silver Bouquet Pulmonaria

Part Sun to Shade 8-10" tall

Stunning silver foliage with clusters of pink and blue flowers in early spring. Long narrow silver leaves with occasional green flecks make clumps of disease-resistant and heat-tolerant plants.

Rudbeckia

Goldsturm Black-Eyed Susan
Sun 20-24" tall

Blooms Late Summer-Fall. Golden-yellow, daisy-like flowers with dark centers appear on tall stems with, hairy, dark green leaves. Black-coned seed heads provide winter interest in the garden.

Sagina

Pearlwort, Irish Moss

Sun to Part Sun 2" tall Blooms summer

Though not a true moss, it forms a tight mound like moss does. Works well as a ground cover around stepping-stones and in rockeries. White flowers in mid-summer. Tolerates heavy foot traffic.

Salvia

Blue Queen Salvia

Sun 12" tall Blooms late spring and summer

Intense blue flowers with puckered, gray-green foliage. Superb garden plants. Drought tolerant. Mulch in winter. Good cut flower. Great for borders or beds.

Salvia

Bumblesky Salvia

Sun 14-16" tall Blooms late spring

Light, sky blue flowers on a low, rounded habit of deep green foliage. Attracts bumblebees and other pollinators. Heat tolerant. Deer and rabbit resistant.

Salvia

Caradonna Salvia

Sun 24-30" tall

A taller Salvia with beautiful dark purple erect stems, contrasts nicely with the green foliage, violet-purple flowers.

Salvia

East Friesland Salvia

Sun 16-18" tall

Blooms Early Summer-Fall. Spikes of violet-purple flowers stand at attention above the nicely mounded foliage. Long flowering and easy to grow. Heat and drought tolerant.

Salvia

Rose Marvel Salvia

Sun 10-12" tall

Largest flowers of any pink Salvia nemorosa on the market, deep rose blooms make a big impact in spring and summer, remove faded flowers to encourage repeat blooming

Saponaria

Soapwort

Sun 6-8" tall

Forms a nice patch of semi-evergreen foliage that works well as a filler between stones on a path, or in rock gardens. Small, bright pink flowers appear prolifically in early summer.

Scabiosa

Butterfly Blue Scabiosa

Sun 12-18" tall

A prolific blooming plant with compact mounds of gray-green foliage and wispy stems of lavender-blue pincushion flowers. Blooms heavily in the spring.

Sedum

Autumn Joy Sedum

Sun to Part Sun 15-24" tall

Blooms Late Summer-Fall. Vivid pink flower. Pale green, fleshy foliage with compact growth habit. Water sparingly. Low maintenance. Rusty, red dried flower heads add interest to the winter landscape.

Sedum

Dark Magic Sedum

Sun 10-12" tall

A plant with stunning dark purple black leaves and stems. Dark pink flowers in late summer to fall with multiple crowns. Short and very upright growth habit. Drought tolerant.

Sedum

Firecracker Sedum

Sun 4-6" tall

Sizzling color for your hot, dry problem areas. Red, succulent foliage opens w/a hint of green on compact, low growing plant. Pink flower clusters in late summer. Deer, rabbit, & drought resist.

Sedum

Mini Joy Live-Forever

Sun to Part Sun 18-22" tall Blooms late summer and fall

Large, feathery clusters of salmon pink flowers. Sturdy stems hold blossoms up even in windy conditions. Drought tolerant once established.

Sedum

Mr. Goodbud Sedum

Sun 12-14" tall

An upright clumping sedum with spectacular purple-pink flowers in the fall. It has smokey blue-green foliage and purple tinged stems that form perfect compact clumps. Very strong stems remain upright.

Sedum

Sieboldi Sedum

Sun 6-10" tall

Low, spreading species; forms a rounded mound and spreads horizontally from the crown. Round, blue-green leaves with a narrow pink margin. Small clusters of bright pink flowers in early fall.

Sedum

Stonecrop

Sun 4-6" tall Blooms late summer and fall

Half inch rosy flowers in fall, lovely mound-like species splays out from center like a miniature fountain. Useful in beds, borders, & containers.

Sempervivum

Hens and Chicks - Carmen

Sun to Part Sun 2-8" tall, space 9-12" apart

Emerald green succulent leaves w/bright red tips. Drought, heat, and shade tolerant.

Sempervivum

Hens and Chicks - Kalinda

Sun to Part Sun 4" tall, space 10" apart

Fleshy, apple green leaves, flushed blood-red at their base.. Produces clusters of light pink flowers in mid-summer.

Sempervivum

Hens and Chicks - Sunset

Sun 3-4" tall Blooms June thru Sept

Easy to grow red/burgundy and green rosette. Landscape or pots.

Sisyrinchium

Lucerne Blue-Eyed Grass

Sun to Part Shade 10-12" tall

Forms compact semi-evergreen tufts of narrow grass-like foliage, vivid star-shaped blue flowers with bright yellow eyes, blooms in small terminal clusters in late spring. Very floriferous.

Spigelia

Little Redhead Indian Pink
Sun to Part Sun 20-25" tall

A versatile perennial that grow naturally in sun or shade. A woodland plant with dark red tubular flowers and yellow interiors, produces above an upright clump of dark green, wedge-shaped leaves.

Stachys

Hummelo Woundwort
Sun to Part Sun 18-24" tall Blooms late spring and summer
Rose to lavender bloom on green plant. Black Walnut tolerant and deer resistant, avoid overhead watering. Good pollinator, can be used as a groundcover.

Stachys

Lamb's Ear
Sun to Part Sun 18-24" tall Blooms summer
Attractive, crinkled foliage and long display of prolific flowering spikes. Needs good drainage. Beneficial for pollinators. Deer resistant.

Stokesia

Honeysong Purple Stokesia
Sun 12-14" tall
True royal purple with a hint of red towards the center. Individual flowers measure 3" across and have petals with deeply serrated edges. Deep green foliage with a neat mounded habit.

Teucrium

Germander
Sun 5-8" tall
Rich mauve flowers mix elegantly with waxy dark green leaves. Blooms in Summer. Plants may be sheared to any size and shape for a very formal look.

Tradescantia

Sweet Kate Spiderwort
Sun to Part Shade 12-15" tall
A narrow grass-like plant with chartreuse foliage and blue flowers. Flowers open over a long period beginning in early summer.

Trollius

Golden Queen Globeflower
Sun to Part Shade 24-30" tall
Large 3" golden-orange bowl shaped flowers bloom late spring into early summer, clean dark green foliage. Prefers moist soil and can be planted on the edge of a pond or stream.

Vernonia

Southern Cross Ironweed
Sun 36-48" tall
The plant produces a vase-like habit of attractive deep green, long thin leaves. It flowers in late summer as an airy dome of small purple flowers.

Veronica

Red Fox Spike Veronica
Sun 12-15" tall
Blooms Summer. Strong compact spikes of deep rose will punctuate any mixed perennial border with bold color. Deadhead down to basal foliage to promote second flush of blooms. A proven performer!

Veronica

Royal Candles Spike Veronica
Sun 15-18" tall
Blooms Summer. Abundant violet-blue flowers on compact, upright plant. Bottom foliage does not die like other Veronicas. Great for front of border, edging, mixed containers, rock gardens or in mass.

Veronica

Snowmass Blue-Eyed Veronica
Sun to Part Shade 1-2" tall
This groundcover Veronica produces a carpet of blue-eyed white flowers in spring, low growing with glossy evergreen foliage, works well as a companion plant with spring bulbs.

Veronica

Tidal Pool Veronica
Sun to Part Shade 2-3" tall
A short groundcover plant with small evergreen leaves and bright violet blue flowers with white centers. Blooms late spring into summer. Forms dense mats. Very drought and heat tolerant

Veronica

Venice Blue Veronica
Sun to Part Sun 10-12" tall Blooms late spring and summer
Short, thick spikes of rich blue flowers on compact, highly uniform plants. Remove old flowers to encourage reblooming. Attracts butterflies and hummingbirds.

Veronica

Very Van Gogh Veronica
Sun to Part Shade 15-18" tall
A colorful perennial with masses of rosy purple flowers and bright green upright clumping foliage. Blooms from midsummer into fall. Removing spent flowers may promote rebloom.

Yucca

Adam's-Needle Yucca
Sun 3' tall 4' across
Stiff sword-shaped leaves with an attractive bluish coat. Produces showy bell-shaped flowers on 4'-5' stems in May and June. Withstands dry conditions, easy to grow! Good accent plant.

Yucca

Color Guard Yucca
Sun 2-3' tall 4' across
Sword-like yellow leaves with green edges flushed with rose in fall. Produces showy bell-shaped flowers on 3-4' stems in June and July. Withstands dry conditions, easy to grow!
